

# WINCHESTER 70 HD SCOPE BASES - EGW WINCHESTER 70 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Winchester 70 Heavy Duty Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on those Winchester Model 70 long action rifles that use an .860 hole spacing on the front and rear receiver rings. Accepts Picatinny or Weaver scope rings. Heavy Duty mounts are .100" lower than the Lightweight mounts to minimize weight and keep your optic closer to the barrel centerline for improved accuracy. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid extruded 7075 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite.

## Attributes

# WINCHESTER 70 HD SCOPE BASES Safety Instruction Guide

## Introduction

Thank you for choosing the WINCHESTER 70 HD Scope Bases by EGW. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is compatible with your specific model of Winchester 70 rifle.
- Always inspect the scope bases and mounting hardware for any signs of damage before installation.
- Use the product only as intended. Misuse may result in injury or damage to the firearm.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any recalls or safety notices related to this product through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or removing the scope bases.
- Use only the recommended socket head Torx® screws and wrench provided with the product.
- Follow the recommended torque specifications (20 inch lbs) during installation to prevent damage.
- Use a drop of blue Loctite on the screws to secure them in place, ensuring they do not loosen during use.
- Avoid overtightening the screws, as this may strip the holes or damage the scope bases.
- Ensure that the scope is properly aligned and securely mounted to prevent it from shifting during use.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a socket head Torx® wrench.
- Ensure your workspace is clean and welllit.

### 2. Installation Steps

- **Step 1:** Ensure the firearm is unloaded. Remove any existing scope mounts if applicable.
- **Step 2:** Align the EGW Winchester 70 HD Scope Bases with the factory scope mount holes on your rifle.
- **Step 3:** Insert the provided socket head Torx® screws into the holes and handtighten them.
- **Step 4:** Use the Torx® wrench to tighten the screws to the recommended torque of 20 inch lbs.
- **Step 5:** Apply a drop of blue Loctite to each screw to secure them in place.

### 3. Usage Guidelines

- After installation, check the alignment and stability of the scope.
- Make any necessary adjustments to the eye relief and scope position before taking your firearm to the range.
- Regularly inspect the scope bases and screws for tightness and wear, especially before and after use.

## **Disposal Instructions**

- Dispose of packaging materials in accordance with local regulations.
- If the product becomes damaged or is no longer in use, dispose of it responsibly. Check for local recycling programs for metal and plastic components.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the product packaging for contact details or consult the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the WINCHESTER 70 HD Scope Bases!
