

WINCHESTER 88, 100 SCOPE BASES - EGW WINCHESTER 88, 100 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Winchester 88, 100 Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

Consumer Safety Instruction Guide for WINCHESTER 88, 100 Scope Bases

Introduction

Thank you for choosing the EGW Winchester 88, 100 Scope Bases. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the scope bases.

General Safety Guidelines

- Ensure all users understand how to properly install and use the scope bases.
- Always follow local laws and regulations regarding the use and installation of firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope bases for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the EGW Winchester 88, 100 Scope Bases with compatible firearms.
- Ensure that the scope bases are securely mounted to prevent any movement during use.
- Use only Picatinny or Weaver scope rings as specified for compatibility.
- Do not exceed the recommended torque of 20 inch lbs when installing the scope bases.
- Apply a drip of blue Loctite to the screws to ensure a secure fit.
- Avoid using excessive force when adjusting the scope to prevent damage to the bases or the scope itself.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a socket head Torx® wrench.
- Ensure the firearm is unloaded and pointed in a safe direction during installation.

2. Installation Steps:

- Locate the factory scope mount holes on the firearm's receiver.
- Align the EGW Winchester 88, 100 Scope Bases with the holes.
- Insert the socket head Torx® screws into the mounting holes.
- Tighten the screws to a torque of 20 inch lbs, ensuring they are secure but not overtightened.
- Apply a drip of blue Loctite to the screws for added security.

3. Usage:

- Once installed, attach your scope using compatible Picatinny or Weaver scope rings.
- Adjust the scope to your desired eye relief for optimal viewing.
- Regularly check the tightness of the screws and the integrity of the installation before each use.

Disposal Instructions

- When disposing of the product, follow local regulations for disposal of metal and aluminum products.
- Do not dispose of the scope bases in regular household waste.
- Consider recycling the product where facilities exist.

Contact Information for Further Support

For any questions or concerns regarding the EGW Winchester 88, 100 Scope Bases, please reach out to the designated support contact in your region.

Thank you for your attention to safety and for choosing our product.
