

# OVERSIZE FIRING PIN STOP FOR REAR SIGHT CUT - EGW O/S FIRING PIN STOP SER 80 45 FOR REAR SIGHT CUT STAINLESS

[Handgun Parts](#) > [Action Parts](#) > [Firing Pin Parts](#) > [Firing Pins](#)

Made to fit slides with a rear Bomar cut. EGW firing pin stops are wider than normal to prevent extractor from turning, which leads to more reliable ejection. Also, the firing pin stop is thicker to eliminate lateral movement. The inside corners are radiused to prevent cracking so the part lasts longer. The back corner has a .015 radius to break the corner but maintains a square edge to slow the slide opening. Rockwell tested: 48 Rc scale; Available for all models of the 1911. This part is not drop-in. It is oversized, and must be fit, in order to provide the customer with the benefits stated above. Series 80 firing pin stops will work in Series 70 guns. Series 70 firing pin stops will only work in Series 70 guns.

## Attributes

- Name: [EGW O/S FIRING PIN STOP SER 80 45 FOR REAR SIGHT CUT STAINLESS](#)
- Manufacturer: [EGW](#)
- Product no.: 296000519

# Safety Instruction Guide for OVERSIZE FIRING PIN STOP FOR REAR SIGHT CUT

## Introduction

Thank you for choosing the OVERSIZE FIRING PIN STOP FOR REAR SIGHT CUT. This product is designed to enhance the reliability of your firearm by preventing extractor movement and ensuring proper ejection. To ensure safe and effective use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that all firearm modifications comply with local laws and regulations.
- Always treat every firearm as if it is loaded.
- Use proper protective equipment (e.g., safety glasses) when handling firearms.
- Store firearms and related components in a secure location, away from children and unauthorized users.
- Regularly inspect your firearm and its components for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- This product is not a dropin part; it requires fitting to ensure proper function.
- Ensure you are familiar with the Series 80 and Series 70 firing pin stop compatibility.
- Do not attempt to modify or alter the firing pin stop beyond the recommended fitting procedures.
- If you are not comfortable performing the installation, seek assistance from a qualified gunsmith.
- Always follow the manufacturer's guidelines for installation and usage.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools including a fitting file, caliper, and safety glasses.
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Fitting the Firing Pin Stop:

- Remove the slide from the frame of the firearm according to the manufacturer's instructions.
- Carefully install the oversized firing pin stop into the rear sight cut.
- Use a fitting file to adjust the width and thickness as necessary for a snug fit. Ensure that the inside corners remain radiused to prevent cracking.

### 3. Testing:

- After fitting, reassemble the slide and perform function checks to ensure proper operation.
- Test the ejection of spent casings to confirm reliable performance.
- If issues arise, recheck the fitting process or consult a qualified gunsmith.

### 4. Maintenance:

- Regularly inspect the firing pin stop for wear or damage.
- Clean the part with a suitable gun cleaning solvent to maintain optimal performance.

## **Disposal Instructions**

- Dispose of any worn or damaged parts in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries regarding this product, please consult your local dealer or authorized service provider. Always ensure that you have the latest information on safety and compliance.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm is our top priority.
