

MAINSRING HOUSING - EGW MAINSPRING HOUSING 20 LPI STAINLESS STEEL

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

Machined from: Solid Bar Stock Steel Compatible with: Kimber, Colt, and other full-size or commander-style 1911s The checkering on this mainspring housing helps get the weight in the right place and gives you good traction. Pins and springs do not come with this part. You can use the pins and springs from your original mainspring housing or purchase new parts from us. This mainspring housing makes a great replacement for plastic mainspring housings. This is EGW's premium mainspring housing, designed and made by EGW. Fully machined from bar stock. This item will fit 1911 Government and Commander frames, it will not fit STI's or short grip frames. It is a flat mainspring housing.

Safety Instruction Guide for MAINSPRING HOUSING EGW MAINSPRING HOUSING 20 LPI STAINLESS STEEL

Introduction

Thank you for choosing the MAINSPRING HOUSING EGW MAINSPRING HOUSING 20 LPI STAINLESS STEEL. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that this product is used in accordance with the manufacturer's instructions to avoid any potential hazards.
- Always check for product recalls and safety updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Keep this product out of reach of children and vulnerable individuals to prevent misuse or accidents.
- If you are unsure about the safety or compatibility of this product with your firearm, consult a qualified gunsmith.

Specific Safety Precautions for Use

- This mainspring housing is designed for fullsize or commanderstyle 1911s, including brands like Kimber and Colt.
- Do not use this product with STI's or short grip frames, as it is incompatible and may lead to malfunction.
- Inspect the mainspring housing for any visible defects before installation. Do not use if damaged.
- Ensure that all pins and springs are properly secured during installation to prevent accidental disassembly during use.
- Avoid using excessive force during installation to prevent damage to the housing or firearm.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a punch set and a hammer.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Removing the Old Mainspring Housing:

- Using the appropriate punch, carefully remove the pins securing the old mainspring housing.
- Carefully detach the old housing from the firearm.

3. Installing the New Mainspring Housing:

- Align the new mainspring housing with the frame of your firearm.
- Insert the appropriate pins into the housing and frame, ensuring they are fully seated.
- Use a punch to gently tap the pins into place, ensuring a secure fit without excessive force.

4. Final Check:

- Once installed, conduct a visual inspection to ensure all components are secure.
- Test the functionality of the mainspring housing by cycling the action of the firearm without

ammunition.

Disposal Instructions

- Dispose of any old or damaged mainspring housings in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the MAINSPRING HOUSING EGW MAINSPRING HOUSING 20 LPI STAINLESS STEEL, please contact the manufacturer directly. Ensure you have your product details available for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
