

MAINSRING HOUSING - EGW MAINSPRING HOUSING 20 LPI BLUE

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

Machined from: Solid Bar Stock Steel Compatible with: Kimber, Colt, and other full-size or commander-style 1911s The checkering on this mainspring housing helps get the weight in the right place and gives you good traction. Pins and springs do not come with this part. You can use the pins and springs from your original mainspring housing or purchase new parts from us. This mainspring housing makes a great replacement for plastic mainspring housings. This is EGW's premium mainspring housing, designed and made by EGW. Fully machined from bar stock. This item will fit 1911 Government and Commander frames, it will not fit STI's or short grip frames. It is a flat mainspring housing.

Safety Instruction Guide for MAINSPRING HOUSING EGW MAINSPRING HOUSING 20 LPI BLUE

Introduction

Thank you for choosing the MAINSPRING HOUSING EGW MAINSPRING HOUSING 20 LPI BLUE. This product is designed for use with fullsize or commanderstyle 1911s, providing a robust and reliable replacement for plastic mainspring housings. Please read this safety instruction guide carefully to ensure safe installation and usage.

General Safety Guidelines

- Always handle firearms and firearm components with care.
- Ensure that the product is used in accordance with the manufacturer's instructions.
- Check for compatibility with your firearm before installation.
- Store the product in a safe, dry place away from children and unauthorized users.
- Regularly inspect the mainspring housing for signs of wear or damage.
- Report any unsafe products or accidents to relevant authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- This mainspring housing is not suitable for STI's or short grip frames.
- Ensure that all pins and springs are sourced from a reliable supplier or reused from your original mainspring housing.
- Avoid using excessive force during installation to prevent damage to the product or your firearm.
- Always wear appropriate safety gear when working with firearms, including eye protection.
- Be aware of the potential for sharp edges during installation and handling.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a punch set and a hammer.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Removal of Original Mainspring Housing:

- Remove the grip panels to access the mainspring housing.
- Use a punch to carefully remove the pin(s) securing the original mainspring housing.
- Gently remove the original mainspring housing from the frame.

3. Installation of NEW Mainspring Housing:

- Align the NEW mainspring housing with the frame.
- Insert the pin(s) to secure the mainspring housing in place.
- Ensure that the housing is seated properly and does not move.

4. Reassembly:

- Reattach the grip panels securely.
- Perform a function check to ensure that the mainspring housing operates correctly.

5. PostInstallation Check:

- Inspect the installation to confirm that all parts are secure and functioning.
- Store the firearm in a safe location.

Disposal Instructions

- Dispose of any old or damaged mainspring housings in accordance with local regulations.
- Do not throw away in regular household waste; consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product.
