

GI ARCHED MAINSPRING HOUSING - EGW GI ARCHED MAINSPRING HOUSING WITH LANYARD LOOP BLUE

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

The serrations on this mainspring housing help get the weight in the right place and gives you good traction. Pins and springs do not come with this part. You can use the pins and springs from your original mainspring housing or purchase new parts from us. This mainspring housing makes a great replacement for plastic mainspring housings. This is our premium mainspring housing, designed and made by EGW. Fully machined from bar stock. This item will fit 1911 Government and Commander frames, it will not fit STI's or short grip frames. Our G.I. Arched Mainspring Housing is machined from carbon steel barstock. Lanyard loop and pin are supplied.

Safety Instruction Guide for GI Arched Mainspring Housing

Introduction

Thank you for choosing the GI Arched Mainspring Housing by EGW. This product is designed to enhance your firearm's performance while ensuring safety and reliability. Please read this safety instruction guide carefully to ensure proper usage, installation, and disposal of the mainspring housing.

General Safety Guidelines

- Ensure that all safety measures are followed when handling firearms and related components.
- Always treat firearms as if they are loaded, even when you believe they are not.
- Use protective eyewear when working with firearm components.
- Keep the mainspring housing and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use this mainspring housing with compatible 1911 Government and Commander frames.
- Do not attempt to install or use the mainspring housing with STI's or short grip frames.
- Ensure that all pins and springs used with the mainspring housing are in good condition; replace if necessary.
- Do not modify the mainspring housing or any of its components.
- Use the mainspring housing only for its intended purpose to avoid injury or damage.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Workspace:** Ensure you have a clean and safe area to work. Gather all necessary tools and components.
2. **Disassemble the Firearm:** Carefully disassemble your firearm according to the manufacturer's instructions. Remove the old mainspring housing if applicable.
3. **Inspect Components:** Check the pins and springs from your original mainspring housing for wear and damage. Replace them if necessary.
4. **Install the Mainspring Housing:**
 - Align the GI Arched Mainspring Housing with the frame.
 - Insert the lanyard loop and pin as needed.
 - Ensure that the mainspring housing fits securely in place.
5. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble your firearm.
6. **Function Check:** Before using the firearm, perform a function check to ensure everything is operating correctly.

Usage Instructions

- Always follow safe firearm handling practices.
- Ensure that the mainspring housing is functioning properly before use.
- If you experience any issues during usage, stop immediately and inspect the firearm.

Disposal Instructions

- Dispose of the mainspring housing in accordance with local regulations.
- Do not dispose of the mainspring housing in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the GI Arched Mainspring Housing, please refer to the manufacturer's contact information included with your product packaging or visit the official website for support resources.

By following these safety instructions, you can ensure a safe and effective experience with your GI Arched Mainspring Housing. Thank you for prioritizing safety and compliance.
