

# STAR BM 9MM BARREL LINK - EGW STAR BM 9MM BARREL LINK MACHINED FROM BARSTOCK 2PK

[Handgun Parts](#) > [Barrel Parts](#) > [Barrel Link Parts](#) > [Barrel Links](#)

Machined from heat treated chromoly steel, this barrel link is the strongest of its kind. Normally barrels hit the back of the frame, but the Star barrels fall short, leaving the full force on the barrel link. This causes most of the factory links to snap under stress. EGW machined this link from 4140 to increase its durability under these conditions.

## Attributes

- Name: [EGW STAR BM 9MM BARREL LINK MACHINED FROM BARSTOCK 2PK](#)
- Manufacturer: [EGW](#)
- Product no.: 296000532
- Mfr. No.: 20310
- Delivery weight: 0.007kg
- Shipping width: 102mm
- Shipping length: 152mm
- UPC: 841370104314

## Item details

Made in USA

US export classification: 0A501.x

# Safety Instruction Guide for STAR BM 9MM Barrel Link

## Introduction

Thank you for choosing the STAR BM 9MM Barrel Link, machined from heat-treated chromoly steel by EGW. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure safe use of the STAR BM 9MM Barrel Link by following these guidelines:
  - Always inspect the product for any visible damage before use.
  - Store the barrel link in a dry, cool place to prevent corrosion.
  - Keep the product out of reach of children and pets.
  - Use the barrel link only for its intended purpose as specified in this guide.
  - Regularly check for wear and tear, replacing the link if any signs of damage are evident.

## Specific Safety Precautions for Use

- When using the STAR BM 9MM Barrel Link, please observe the following precautions:
  - Do not exceed the manufacturer's specifications for the barrel link.
  - Ensure that the barrel link is properly installed to prevent accidents.
  - Avoid using the barrel link with incompatible firearms.
  - Do not modify the barrel link in any way, as this may compromise its integrity and safety.
  - Always handle firearms with care and follow all relevant safety protocols.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the STAR BM 9MM Barrel Link:
  1. Ensure that the firearm is unloaded and pointed in a safe direction.
  2. Remove the old barrel link if applicable, following the manufacturer's instructions for your specific firearm model.
  3. Align the new STAR BM 9MM Barrel Link with the corresponding holes in the barrel and frame.
  4. Secure the barrel link in place using the appropriate tools, ensuring a snug fit.
  5. After installation, perform a function check to ensure that the firearm operates correctly.
  6. If any issues arise, consult a qualified gunsmith for assistance.

## Disposal Instructions

- Dispose of the STAR BM 9MM Barrel Link responsibly:
  - Do not dispose of the barrel link in regular household waste.
  - Check local regulations for proper disposal methods for metal components.
  - Consider recycling the product if possible to reduce environmental impact.

## Contact Information for Further Support

- For any inquiries regarding safety or product performance, please reach out to the appropriate EU contact point for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the STAR BM 9MM Barrel Link. Remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform. Your safety is our priority.
