# WALTHER PPQ M2 VORTEX VIPER/VENOM SIGHT MOUNT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the WALTHER PPQ M2 Vortex Viper/Venom Sight Mount. This guide provides essential safety instructions and information to ensure the proper use and installation of the product. Please read this manual carefully before use to ensure your safety and the safety of others.

## General Safety Guidelines

- Ensure the product is compatible with your firearm model before installation.
- Always handle firearms and accessories safely and responsibly.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the mount and its components for wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended torque specifications when installing the mount.
- Ensure that all mounting screws are properly tightened before using the firearm.
- Be aware that the sight mount is designed for specific red dot sights; using incompatible sights may result in malfunction or damage.
- Use the sight mount only for its intended purpose and avoid any modifications.
- Always wear appropriate eye protection while handling or shooting your firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Gather the necessary tools: a screwdriver compatible with the screws provided.
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Remove the existing sight from the firearm if applicable.
- Clean the mounting surface on the slide to ensure proper adhesion.
- Align the sight mount with the dovetail of the firearm.
- Insert the provided mounting hardware:
  - Use (2) 632 Button Head Screws.
  - Use (2) 632 Flat Head Screws.
  - Use (1) 632 Set Screw.
- Tighten all screws securely but do not overtighten to avoid stripping the holes.

### 3. PostInstallation Check

- Verify that the mount is securely attached and does not move.
- Check the alignment of the red dot sight according to the manufacturer's instructions.

### 4. Usage

- Once installed, familiarize yourself with the operation of the sight.
- Regularly check the mount and sight for stability during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and metal recycling.
- Do not dispose of the product with household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the WALTHER PPQ M2 Vortex Viper/Venom Sight Mount, please refer to the manufacturer's contact details provided in the product packaging or manual.
