# KIMBER FIXED REAR SIGHT TRIJICON RMR SIGHT MOUNT Safety Instruction Guide

## Introduction

Thank you for choosing the KIMBER FIXED REAR SIGHT TRIJICON RMR SIGHT MOUNT. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective installation and operation of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure the product is compatible with your firearm before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any visible damage before installation.
- Do not modify the product in any way, as this may compromise safety and performance.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the KIMBER FIXED REAR SIGHT TRIJICON RMR SIGHT MOUNT with compatible red dot sights (Trijicon RMR, Holosun HS507C).
- Ensure that mounting hardware is secure before using the firearm.
- Regularly check the tightness of the mounting screws to prevent loosening during use.
- Avoid using the firearm in adverse conditions that could affect the mount's performance (e.g., extreme temperatures, moisture).
- If you experience any issues with the mount, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Remove the Rear Sight:

- Carefully remove the existing rear sight from your firearm.

### 2. Install the EGW Sight Mount:

- Place the EGW Sight Mount into the dovetail of your firearm.
- Tighten the set screw (if applicable) to secure the mount in place.

### 3. Attach the Red Dot Sight:

- Position the red dot sight on the EGW Sight Mount.
- For easier removal, place a small piece of paper between the red dot sight and the sight mount to keep Loctite off the sight.

### 4. Apply Loctite:

- Apply blue Loctite to the provided mounting screws to ensure secure attachment.

### 5. Torque Mounting Screws:

- Use a torque wrench to tighten the mounting screws to 15 in/lbs.
- Note: The included screws require a 5/64" allen wrench for installation.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety and usage, please consult your local dealer or authorized service center.

Please ensure that you keep this guide for future reference and share it with anyone else who may use the product. Your safety is our priority.
