# CZ P10C Trijicon RMR Sight Mount Safety Instruction Guide

## Introduction

Thank you for choosing the CZ P10C Trijicon RMR Sight Mount manufactured by EGW. This guide provides essential safety information, installation instructions, and usage guidelines to ensure safe and effective use of the product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the product is compatible with your firearm model before installation.
- Always verify that your firearm is unloaded before performing any modifications or installations.
- Keep the mount and any small parts out of reach of children.
- Regularly inspect the mount for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

- Only use the mount with compatible red dot sights, specifically the Trijicon RMR and Holosun HS507C.
- Do not attempt to modify the mount or the firearm. Alterations may compromise safety and functionality.
- Ensure that the mounting hardware is securely tightened to prevent the sight from loosening during use.
- Use blue Loctite as directed to secure the mounting screws, but avoid overtightening.
- If you experience any issues with the mount or sight, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Remove the Rear Sight

- Carefully remove the rear sight from your firearm. This may require specific tools, depending on your firearm model.

### 2. Install the EGW Sight Mount

- Place the EGW Sight Mount in the dovetail of your firearm.
- Ensure that it is properly aligned and seated.

### 3. Tighten Set Screw (if applicable)

- If your mount includes a set screw, tighten it to secure the mount in place.

### 4. Place the Red Dot Sight

- Position the red dot sight on the EGW Sight Mount.
- For easier removal in the future, place a small piece of paper between the red dot sight and the sight mount to keep Loctite off the sight.

### 5. Apply Blue Loctite

- Apply blue Loctite to the provided mounting screws to help secure them.

### 6. Torque Mounting Screws

- Using a 5/64" allen wrench, torque the mounting screws to 15 in/lbs.

## **7. Final Inspection**

- After installation, inspect the mount and sight for secure fitment before using the firearm.

## **Disposal Instructions**

- Dispose of packaging materials in accordance with local recycling regulations.
- If the mount or any components are damaged beyond use, dispose of them responsibly as per local electronic waste disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the CZ P10C Trijicon RMR Sight Mount, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the CZ P10C Trijicon RMR Sight Mount!
