

SAVAGE ROUND BACK LONG ACTION HD SCOPE BASES - EGW

SAVAGE 110-116 ROUND BACK LONG ACTION 30 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Savage 110-116 Round Back Long Action Heavy Duty Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Heavy Duty mounts are .100" lower than the Lightweight mounts to minimize weight and keep your optic closer to the barrel centerline for improved accuracy. Full-width cross-slots are gauged to MIL-STD 1913 specs to $\pm .002$ ". Machined from ultra-rigid extruded 7075 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite.

Safety Instruction Guide for EGW Savage Round Back Long Action HD Scope Bases

Introduction

Thank you for choosing the EGW Savage 110116 Round Back Long Action Heavy Duty Scope Bases. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents.
- Use this product only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Always install the scope bases in a welllit environment.
 - Use appropriate tools, such as a Torx® wrench, to avoid damaging the screws or the base.
- **Weight Considerations:**
 - Be aware that heavy optics may require additional support; ensure your firearm is capable of handling the added weight.
- **Torque Specifications:**
 - Follow the recommended torque of 20 inch lbs when securing the bases to prevent loosening or damage.
- **Use of Loctite:**
 - Apply a drop of blue loctite to the screws to ensure they remain secure during use.
- **Optic Alignment:**
 - Ensure that your optic is properly aligned to maintain accuracy and prevent eye strain.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a Torx® wrench and blue loctite.
- Ensure that the firearm is unloaded and safe to handle.

2. Installation:

- Locate the factory scope mount holes on your Savage 110116 rifle.

- Align the EGW scope bases with the mounting holes.
- Insert the socket head Torx® screws into the bases and tighten them to the specified torque of 20 inch lbs.
- Apply a drop of blue loctite to each screw before final tightening to secure the bases.

3. Mounting the Scope:

- Once the bases are securely installed, place your Picatinny or Weaver scope rings onto the rail.
- Attach your scope to the rings and adjust it to your preferred eye relief and position.
- Tighten the rings according to the manufacturer's instructions.

4. Final Checks:

- After installation, doublecheck all screws and connections for tightness.
- Ensure the scope is properly aligned and securely mounted.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the aluminum material if possible.

Contact Information for Further Support

For any inquiries or assistance regarding the installation or use of your EGW Savage Round Back Long Action HD Scope Bases, please refer to the manufacturer's support resources. Ensure that you have your product details available when seeking assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the EGW Savage 110116 Round Back Long Action Heavy Duty Scope Bases!
