

# RUGER PRECISION RIFLE HD SCOPE BASES - EGW RUGER PRECISION RIFLE HD SCOPE BASE 30 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Machined From: Solid 7075 T6 Aircraft Grade Aluminum Finish: Matte Black  
Only Compatible with Picatinny or Weaver scope rings. Mounting Hardware: #8-40 X 1/4 Screws and T-10 Wrench Included Torque Specs: 20 in/lbs This mount is made specifically for the Ruger Precision Rifle (RPR). The end of the rail with the number engraved is the front of the rail. This mount will not work on: Ruger Precision Rimfire Ruger Precision Magnum Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. The cross slots are also machined the full width of the mount and gauged to MIL-STD 1913 specs maintaining tolerances of +/- .002". After machining; the mounts are tumbled and sand blasted. The aluminum mounts are Type III hard coat anodized for long lasting durability. The steel rails are Mil Spec parkerized for a durable rust resistant finish. We recommend: 0 MOA - if shooting 0-500 yards 30 MOA - if shooting 1000-1500 yards 40 MOA - if shooting 1500+ yards When zeroing your rifle with a 20 MOA mount, we recommend zeroing at 200 yards. Compatible with Picatinny or Weaver scope rings. Add EGW's HD Scope Rings to make it a complete package! From manufacturing to packaging, EGW's products are made with pride in the USA. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is available through our website and is sold separately).

# RUGER PRECISION RIFLE HD SCOPE BASES Safety Instruction Guide

## Introduction

Thank you for choosing the RUGER PRECISION RIFLE HD SCOPE BASES by EGW. This product is designed to enhance your shooting experience while ensuring safety during use. Please read and follow the safety instructions provided in this guide to ensure proper installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, as specified in the product description.
- Always handle firearms and accessories with care and follow local laws and regulations regarding firearm usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope base for any signs of wear or damage before each use.
- If you notice any defects or irregularities, do not use the product and contact a qualified professional for assistance.

## Specific Safety Precautions for Use

- Only use the RUGER PRECISION RIFLE HD SCOPE BASES with compatible Picatinny or Weaver scope rings.
- Ensure that the mounting hardware is securely tightened to the specified torque of 20 in/lbs to avoid any accidents during use.
- Avoid using the scope base in extreme weather conditions or environments that may compromise its integrity.
- When zeroing your rifle, follow the recommended guidelines for elevation adjustments based on your shooting distance:
  - 0 MOA for shooting 0500 yards
  - 30 MOA for shooting 10001500 yards
  - 40 MOA for shooting 1500+ yards
- Use a drip of blue loctite on the screws for added security, ensuring it is applied according to the manufacturer's instructions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Clean the mounting area on the rifle to remove any debris or oil.
- Align the scope base with the rifle's receiver, ensuring that the engraved number is facing the front.
- Insert the provided #840 X 1/4 screws into the cross slots of the scope base.
- Use a T10 wrench to tighten the screws to a torque of 20 in/lbs.
- Apply a drip of blue loctite to the screws for added security.

### 2. Usage:

- Once installed, mount your compatible Picatinny or Weaver scope rings onto the scope base.
- Ensure that the scope is securely attached and properly aligned before taking your rifle to the range.
- Regularly check the tightness of the screws and the condition of the scope base during use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged beyond repair, please dispose of it responsibly, ensuring that it does not pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any inquiries or support regarding the RUGER PRECISION RIFLE HD SCOPE BASES, please refer to the manufacturer's website or contact your local dealer for assistance.

By following these safety instructions, you will help ensure a safe and enjoyable experience with your RUGER PRECISION RIFLE HD SCOPE BASES. Thank you for your attention to safety.
