

# KNIGHT BOLT ACTION MUZZLELOADER PICATINNY SCOPE MOUNT - EGW KNIGHT BOLT ACTION MUZZLELOADER 1-PC PICATINNY BASE 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. The channel in the center reduces the overall mass of the mount. Also, in many cases, it will not obstruct usage of factory iron sights. EGW one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. They machine these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type II anodized for long lasting durability. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately).

## Attributes

- Name: [EGW KNIGHT BOLT ACTION MUZZLELOADER 1-PC PICATINNY BASE 0 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000635
- Mfr. No.: 46400
- Colour: Black
- Elevation: 0 MOA
- Material: Aluminum
- Model: Master Hunter, Mountaineer, Long Range Hunter, Ultra Light, BigHorn, Original Disc
- Number of Bases: 1-Piece
- Style: Picatinny Rail
- Weapon type: Knight's Manufacturing Company
- Delivery weight: 0.091kg
- Shipping height: 25mm
- Shipping width: 102mm
- Shipping length: 229mm
- UPC: 841370114054

# Safety Instruction Guide for KNIGHT BOLT ACTION MUZZLELOADER PICATINNY SCOPE MOUNT

## Introduction

Thank you for choosing the EGW Knight Bolt Action Muzzleloader Picatinny Scope Mount. This guide provides essential safety information and instructions for installation and usage to ensure the safe and effective use of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always check the product for any visible damage before installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about potential recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Confirm that the hole spacing in your receiver matches the published dimensions before installation.
- Ensure that the Picatinny rail is securely mounted to prevent any movement during use.
- Avoid using the scope mount if you notice any defects or irregularities.
- Do not exceed the recommended torque of 20 inch lbs during installation.
- Use a drip of blue Loctite to secure the screws; ensure Loctite is applied correctly and is compatible with the mount.
- Be cautious when handling tools and equipment during installation to avoid injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools including a torque wrench and blue Loctite.
- Ensure you have a clean, welllit workspace.

### 2. Measuring Hole Spacing:

- Measure the hole spacing in your receiver to confirm compatibility with the mount.

### 3. Mounting the Scope:

- Align the Picatinny scope mount with the holes in your receiver.
- Insert screws into the mount and tighten them by hand to ensure proper alignment.

### 4. Securing the Mount:

- Use a torque wrench to tighten the screws to a torque of 20 inch lbs.
- Apply a small drip of blue Loctite to each screw before final tightening to ensure they remain secure.

### 5. Final Checks:

- Inspect the installation to ensure that the mount is securely attached and that there are no obstructions to the use of factory iron sights.
- Test the setup by gently attempting to move the scope mount to confirm it is secure.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use, ensure it is disposed of in a manner that prevents harm to the environment and complies with local waste disposal laws.

## **Contact Information for Further Support**

For any inquiries regarding safety or installation, please refer to the manufacturer's contact information provided with the product packaging.
