

# **SIG SAUER P320 ADAPTER PLATE FOR ROMEO TO VORTEX VENOM - EGW SIG SAUER P320 ADAPTER PLATE ROMEO TO VENOM**

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

The rear sight on your gun needs to be removed to install your red dot on this plate. This plate only works with the Vortex Venom. Installation Instructions Remove the rear sight\* Install the EGW Sight Mount in the dovetail Place the red dot sight on the EGW Sight Mount (placing a small piece of paper between the red dot sight and the sight mount will make for easier removal and will keep Loctite off of the red dot sight.) Apply blue Loctite to the provided mounting screws Torque mounting screws to 15in/lbs Modification of your firearm may nullify the manufacturer's warranty. This product should be installed and checked by a qualified gunsmith. No liability is expressed or implied for damage or injury which may result from improper installation or use of this product. Will not work with Sig Sauer M178 or Sig Sauers cut for the Romeo1 Pro

# SIG SAUER P320 Adapter Plate Safety Instruction Guide

## Introduction

Thank you for choosing the SIG SAUER P320 Adapter Plate for mounting your red dot sight. This guide provides important safety information, installation instructions, and usage guidelines to ensure the safe and effective use of this product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and firearm accessories with care.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and consult a qualified gunsmith.
- Modification of your firearm may void the manufacturer's warranty.
- This product is not compatible with Sig Sauer M178 or Sig Sauer's cut for the Romeo1 Pro.

## Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before beginning installation.
- Use protective eyewear when working with tools and installing the adapter plate.
- Apply blue Loctite carefully to avoid excess application that can interfere with the sight.
- Do not overtighten the mounting screws; follow the specified torque of 15 in/lbs.
- Ensure that the red dot sight is securely attached before use.
- Familiarize yourself with the operation of both the firearm and the red dot sight prior to use.

## Instructions for Installation and Usage

### 1. Remove the Rear Sight

- Carefully remove the rear sight from your firearm.

### 2. Install the EGW Sight Mount

- Place the EGW Sight Mount in the dovetail of your firearm.

### 3. Attach the Red Dot Sight

- Place the red dot sight on the EGW Sight Mount.
- For easier removal and to prevent Loctite from getting on the red dot sight, place a small piece of paper between the sight and the mount.

### 4. Apply Blue Loctite

- Apply blue Loctite to the provided mounting screws to secure the red dot sight.

### 5. Torque the Mounting Screws

- Torque the mounting screws to 15 in/lbs to ensure a secure fit.

### 6. Final Check

- Doublecheck all connections and ensure that everything is secure before using the firearm.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consult local guidelines for proper disposal methods.

## Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's website or contact a qualified gunsmith.

By following these guidelines and instructions, you can ensure the safe use of the SIG SAUER P320 Adapter Plate. Always prioritize safety and consult professionals when in doubt. Thank you for your attention to these important safety measures.
