# Safety Instruction Guide for UNIVERSAL 0.670" RADIUS VORTEX VIPER/VENOM SIGHT MOUNT

## Introduction

Thank you for choosing the UNIVERSAL 0.670" RADIUS VORTEX VIPER/VENOM SIGHT MOUNT. This product is designed to enhance your shooting experience by providing a secure and reliable mounting solution for your Vortex Viper/Venom optics. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that all components are in good condition before installation and use.
- Always follow the manufacturer's guidelines for mounting and usage.
- Keep the product out of reach of children.
- Regularly inspect the mount for any signs of wear or damage.
- Do not modify the mount in any way, as this can compromise safety and functionality.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Verify that the mount is compatible with your firearm before installation.
- Use only the recommended screws and tools for installation.
- Ensure that the mount is securely attached to the firearm before use.
- Be cautious when handling firearms and always follow firearm safety rules.
- If you experience any difficulties during installation or usage, cease use and consult a professional.

## Instructions for Installation and Usage

### 1. Required Tools:

- 5/64" Allen wrench (not included).

### 2. Included Mounting Hardware:

- 648 X .313" Overall Length screws.
- 840 X .313" Overall Length screws.
- 840 X .335" Overall Length screws.

### 3. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the mount with the receiver ring of your firearm.
- Insert the screws provided into the appropriate holes on the mount.
- Use the 5/64" Allen wrench to tighten the screws securely, ensuring that the mount is stable.
- There should be a slight gap at the top of the radius between the receiver and the mount when mounted.
- Check the two spreads on the mount, which measure .500".505" and .8625", to confirm compatibility with your firearm.

### 4. PostInstallation Check:

- After installation, doublecheck that all screws are tightened properly.

- Test the mount by gently applying pressure to ensure it does not shift or loosen.

#### **5. Usage:**

- Once installed, use the mount to attach your Vortex Viper/Venom optic securely.
- Always ensure that the optic is mounted correctly and functions as intended before use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use, follow local guidelines for the disposal of metal and plastic components.
- Do not dispose of the product in a manner that may pose a risk to the environment.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the UNIVERSAL 0.670" RADIUS VORTEX VIPER/VENOM SIGHT MOUNT, please refer to the contact details provided by the manufacturer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new sight mount. Thank you for your attention to these important guidelines.
