## Safety Instruction Guide

### Introduction

Thank you for choosing the RUGER AUTO VORTEX RAZOR SIGHT MOUNT. This guide provides essential safety instructions and installation details to ensure the safe use of your product. Please read this guide carefully before installation and use.

### General Safety Guidelines

- Ensure the product is suitable for your firearm model before installation.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the product and all related components out of reach of children.
- Inspect the sight mount and all hardware for any damage before installation.
- Do not use the sight mount if any components are damaged or missing.
- Follow the installation instructions precisely to avoid accidents or injuries.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

### Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before removing or installing the sight mount.
- Be cautious of sharp edges on the sight mount and mounting hardware.
- Use the appropriate tools as specified in the installation instructions to avoid injury.
- Apply blue Loctite carefully to prevent overapplication, which may lead to difficulty in removing the sight later.
- Keep your workspace clean and organized to prevent accidents during installation.
- Regularly check the tightness of the mounting screws to ensure the sight remains secure.

### Instructions for Installation and Usage

#### 1. Remove the Rear Sight

- Ensure your firearm is unloaded.
