# Safety Instruction Guide for KEYSTONE SERIES RINGS EGW 30MM KEYSTONE RINGS .990" MEDIUM

## Introduction

Thank you for choosing the KEYSTONE SERIES RINGS EGW 30MM KEYSTONE RINGS .990" MEDIUM. This guide provides essential safety instructions and information to ensure the safe and effective use of your scope rings. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Always ensure that the product is used for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the scope rings are compatible with your scope and mounting system.
- Avoid overtightening the mounting hardware, which may damage the rings or the scope.
- Use appropriate tools when installing or adjusting the scope rings.
- Do not expose the product to extreme temperatures or harsh chemicals, as this may affect its performance.
- Always check the tightness of the rings before use, especially after transportation.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a T15 screwdriver.
- Ensure that the mounting surface is clean and free of debris.

### 2. Installation:

- Position the scope rings on the base rail (Picatinny or Weaver).
- Align the horizontally split design of the rings for easy installation.
- Insert the T15 mounting hardware into the ring caps and handtighten to secure.
- Ensure the rings are aligned properly with the scope.

### 3. Final Adjustment:

- Once the rings are in place, use the T15 screwdriver to tighten the hardware securely, but avoid overtightening.
- Check the alignment of the scope through the rings to ensure proper positioning.

### 4. Usage:

- Regularly check the stability of the scope rings during use, especially after heavy shooting sessions.
- If any movement or loosening is detected, stop using the scope immediately and retighten the

rings.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the aluminum components where facilities are available.

## **Contact Information for Further Support**

For any additional support or inquiries regarding the KEYSTONE SERIES RINGS, please refer to the manufacturer's contact information found in the product packaging or user manual.

By following these safety instructions, you can ensure the safe and effective use of your KEYSTONE SERIES RINGS EGW 30MM KEYSTONE RINGS .990" MEDIUM. Thank you for prioritizing safety.
