

# TIKKA T1X HD PICATINNY SCOPE MOUNT - EGW TIKKA T1X 1-PIECE PICATINNY BASE 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. EGW one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. This mount is a Picatinny-style base and compatible with Picatinny or Weaver scope rings. EGW machines these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type III anodized for long lasting durability. Recommend: 0 MOA - if shooting 0-150 yards 20 MOA - if shooting 150-300 yards Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately). The entire mount and accessories (from the mounting screws and wrench down to the packaging) are made in the USA.

## Attributes

- Name: [EGW TIKKA T1X 1-PIECE PICATINNY BASE 0 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000758
- Mfr. No.: 80520
- Colour: Black
- Elevation: 0 MOA
- Material: Aluminum
- Model: T1X
- Model Number: 0 MOA
- Number of Bases: 1-Piece
- Style: Picatinny Rail
- Weapon type: Tikka
- Delivery weight: 0.091kg
- Shipping height: 25mm
- Shipping width: 102mm

# TIKKA T1X HD PICATINNY SCOPE MOUNT Safety Instruction Guide

## Introduction

Thank you for choosing the TIKKA T1X HD Picatinny Scope Mount by EGW. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle the scope mount and associated equipment with care to prevent injury or damage.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental misuse.
- Regularly inspect the scope mount for signs of wear or damage. If any defects are found, discontinue use immediately.
- Report any unsafe conditions or accidents related to this product to the appropriate authorities.
- Stay informed about product recalls and safety updates by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation or use of the scope mount may lead to equipment failure or accidents.
  - Ensure that the mount is compatible with your specific rifle model (Tikka T1X) before installation.
- **Avoiding Hazards:**
  - Always check the hole spacing in your receiver to confirm compatibility with the mount dimensions.
  - Use the recommended torque settings (20 inch lbs) when securing the mount to prevent loosening or damage.
  - Apply a drop of blue Loctite to the screws to ensure a secure fit (Loctite is sold separately).
- **Age Specific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.
  - Ensure that all users are trained on the safe handling and operation of firearms and accessories.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and the mounting screws provided with the scope mount.
- Ensure you have a clean, flat workspace to perform the installation.

### 2. Installation Steps:

- Measure the hole spacing in your receiver to confirm it matches the dimensions provided by EGW.
- Align the Picatinny style base of the scope mount with the holes on your Tikka T1X receiver.
- Insert the mounting screws through the base into the receiver holes.
- Tighten the screws to the recommended torque setting of 20 inch lbs.
- Apply a drop of blue Loctite to each screw to secure them in place.

### 3. Post Installation Check:

- After installation, check that the scope mount is firmly attached and does not wiggle or move.

- Confirm that the Picatinny cross slots are clear for mounting scope rings and other accessories.

#### **4. Usage:**

- When using the scope mount, ensure that all accessories are properly secured.
- Regularly check the tightness of the screws and the condition of the mount during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- If unsure about disposal methods, consult local waste management services for guidance.

## **Contact Information for Further Support**

For any inquiries regarding the TIKKA T1X HD Picatinny Scope Mount, please refer to the manufacturer's website or contact customer support for assistance.

Thank you for your attention to these safety instructions. Enjoy using your new scope mount responsibly and safely.
