

# MAUSER 98 LARGE RING 3-HOLE SCOPE BASES - EGW MAUSER 98 LG RING 3-HOLE 1-PC UNDRILLED PICATINNY 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Mauser 98 Large Ring 3-Hole Scope Bases. Rifle bases precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to  $\pm 0.002$ ". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

## Attributes

# MAUSER 98 Large Ring 3Hole Scope Bases Safety Instruction Guide

## Introduction

Thank you for choosing the MAUSER 98 Large Ring 3Hole Scope Bases by EGW. This guide provides essential safety instructions, installation guidelines, and usage tips to ensure safe and effective use of the product. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the scope bases by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any recall notices that may affect this product.
- **Online Shopping:** If purchased online, ensure the platform adheres to safety requirements.
- **Special Consumer Focus:** Keep the product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, consult the designated EU-based contact.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Inspection:** Before installation, inspect the scope bases for any signs of damage or defects.
- **Compatibility:** Ensure that the scope bases are compatible with your Mauser 98 rifle and chosen scope.
- **Torque Specifications:** Adhere to the recommended torque of 20 inch lbs when mounting the bases.
- **Loctite Use:** Apply a drip of blue Loctite to the screws to prevent loosening during use.
- **Weight Considerations:** Be aware of the lightweight design and ensure that the rifle can handle the scope's weight.

## Instructions for Installation and Usage

1. **Gather Tools:** You will need a Torx® wrench, a torque wrench, and blue Loctite for installation.
2. **Preparation:**
  - Clean the mounting area on the rifle to remove any debris or oils.
  - Lay out all components to ensure nothing is missing.
3. **Mounting the Bases:**
  - Position the scope bases on the rifle's receiver in the desired location.
  - Align the bases with the Picatinny slots.
  - Insert the socket head Torx® screws into the bases and handtighten.
4. **Securing the Bases:**
  - Using the torque wrench, tighten each screw to 20 inch lbs.
  - Apply a small amount of blue Loctite to each screw before final tightening.
5. **Mounting the Scope:**
  - Attach the scope rings (Picatinny or Weaver) to the bases.
  - Follow the scope manufacturer's instructions for securing the scope.
6. **Final Check:**
  - Doublecheck all screws and connections for tightness.
  - Ensure that the scope is properly aligned and secured.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product responsibly and in accordance with local regulations.
- **Recycling:** If possible, recycle the aluminum material to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAUSER 98 Large Ring 3Hole Scope Bases, please consult the designated EUbased contact or refer to the manufacturer's website for additional resources and support.

Thank you for your attention to these safety instructions. Proper installation and usage will enhance your shooting experience while ensuring safety and reliability.
