# STI/SVI Magazine Well Safety Instruction Guide

## Introduction

Thank you for choosing the STI/SVI Magazine Well by EGW. This guide provides essential safety instructions to ensure the safe and proper use of this product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the installation and usage instructions provided in this guide.
- Regularly inspect the product for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any safety concerns, report them to the appropriate authorities.
- Stay informed about any recalls or safety updates by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the magazine well in any way.
- Ensure that the magazine well is securely installed before use.
- Avoid using excessive force when inserting or removing the magazine.
- Check for proper fit and function before each use.
- If the magazine well does not fit securely, discontinue use and seek assistance.
- Be aware of your surroundings to prevent accidental discharge during handling.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Required Tools:** Ensure you have the necessary tools, including a longer mainspring housing pin (supplied).
2. **Remove Existing Magazine Well:** If applicable, remove the existing magazine well from your firearm.
3. **Install the New Magazine Well:**
  - Align the magazine well with the original magazine well opening.
  - Insert the longer mainspring housing pin through the designated hole.
  - Ensure the magazine well is seated properly and securely.
4. **Check Fit:** Confirm that the magazine well slides over the frame lips for a snug, friction fit.
5. **Final Inspection:** Inspect the installation for any gaps or misalignments.

### Usage Instructions

- Load the magazine according to the manufacturer's instructions.
- Insert the loaded magazine into the magazine well until it clicks into place.
- Ensure that the magazine is seated correctly before attempting to fire.
- After use, remove the magazine and inspect the magazine well for any debris or obstructions.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please reach out to the designated contact point provided with your product. It is essential to have access to support for any safety concerns or questions you may have.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
