

FIBER OPTIC 60 DEGREE FRONT SIGHT - EGW 60° SIGHT, HEIGHT .200"

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Interchangeable, red or green fiber optic insert glows bright; draws your eye to the sight for faster pickup and improved shooting performance. Open center improves light transmission for a brighter, easier to see, dot. Works well with ghost ring, express, or square notch rear sights. Three heights accommodate most installation requirements.

Safety Instruction Guide for FIBER OPTIC 60 DEGREE FRONT SIGHT EGW 60° SIGHT

Introduction

Thank you for choosing the FIBER OPTIC 60 DEGREE FRONT SIGHT EGW 60° SIGHT. This guide provides important safety instructions and guidelines to ensure safe usage and installation of your product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle the product with care to avoid accidents and injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to relevant authorities.
- Regularly check for updates on recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the front sight; doing so may compromise safety and performance.
- Ensure that the front sight is securely mounted before use to prevent it from becoming dislodged during operation.
- Use only compatible firearms as specified in the product description (1911 Government, Commander, Officers).
- Avoid using the product in conditions where visibility is severely impaired, as this may affect aiming accuracy.
- If the fiber optic insert appears damaged or malfunctioning, cease use immediately and contact a qualified professional.

Instructions for Installation and Usage

Installation

1. **Gather Necessary Tools:** Ensure you have the appropriate tools for installation, including a screwdriver and any specific tools recommended by the firearm manufacturer.
2. **Remove Existing Sight (if applicable):** If replacing an existing sight, carefully remove it according to the manufacturer's instructions.
3. **Align the Front Sight:** Position the FIBER OPTIC 60 DEGREE FRONT SIGHT on the firearm's mounting area, ensuring it aligns correctly with the rear sight.
4. **Secure the Sight:** Use the appropriate screws or mounting hardware to secure the sight in place. Ensure it is tightened adequately to prevent movement during use.
5. **Check Alignment:** After installation, check the alignment of the sight with the rear sight to ensure proper aiming.

Usage

- **Eye Safety:** Always wear appropriate eye protection when using firearms equipped with this sight.
- **Visibility Check:** Before use, ensure the fiber optic insert is clean and free from obstructions to maximize visibility.
- **Shooting Practice:** Familiarize yourself with the sight by practicing in a safe and controlled environment. Adjust your aim as necessary based on your shooting style and conditions.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and nonfood product waste.
- If the product is damaged or no longer in use, ensure it is disposed of safely to prevent injury to others.

Contact Information for Further Support

For any further inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with your product packaging or on their official website.

Thank you for following these safety instructions. Your safety is our priority, and we hope you enjoy using the FIBER OPTIC 60 DEGREE FRONT SIGHT EGW 60° SIGHT safely and effectively.
