

# **FIBER OPTIC 65 DEGREE FRONT SIGHT - EGW 65° SIGHT, HEIGHT .160"**

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

## **Enhanced Sight Picture In Bright Or Low Light**

Interchangeable, red or green fiber optic insert glows bright; draws your eye to the sight for faster pickup and improved shooting performance. Open center improves light transmission for a brighter, easier to see, dot. Works well with ghost ring, express, or square notch rear sights. Three heights accommodate most installation requirements.

# FIBER OPTIC 65 DEGREE FRONT SIGHT Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the FIBER OPTIC 65 DEGREE FRONT SIGHT. This product is designed to enhance your shooting experience with improved visibility and accuracy. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded when installing or adjusting sights.
- Use the product only for its intended purpose as a front sight for firearms.
- Ensure that the firearm is in good working condition before installation.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage before use.

## Specific Safety Precautions for Use

### • Installation Safety:

- Use proper tools to avoid damaging the sight or firearm.
- Follow the installation instructions carefully to prevent improper attachment.

### • Shooting Safety:

- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not point the firearm at anything you do not intend to shoot.

### • Maintenance Safety:

- Clean the sight gently to avoid scratching the fiber optic insert.
- Store the firearm and sight in a secure location when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front sight using appropriate tools.
- Align the FIBER OPTIC 65 DEGREE FRONT SIGHT with the mounting area.
- Secure the sight in place using the screws provided.
- Ensure that the sight is firmly attached and does not move.

### 2. Usage:

- Familiarize yourself with the sighting system before shooting.
- Adjust your shooting stance and grip for optimal visibility of the fiber optic insert.
- Practice aiming and shooting to improve your proficiency with the sight.

## **Disposal Instructions**

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Check for any specific disposal guidelines for firearm accessories in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the FIBER OPTIC 65 DEGREE FRONT SIGHT, please contact the manufacturer or your retailer for support.

## **Conclusion**

By following these safety instructions, you can ensure a safer and more enjoyable experience with your FIBER OPTIC 65 DEGREE FRONT SIGHT. Always prioritize safety and proper handling when using firearms and accessories.
