

FIBER OPTIC 65 DEGREE FRONT SIGHT - EGW 65° SIGHT, HEIGHT .200"

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Enhanced Sight Picture In Bright Or Low Light

Interchangeable, red or green fiber optic insert glows bright; draws your eye to the sight for faster pickup and improved shooting performance. Open center improves light transmission for a brighter, easier to see, dot. Works well with ghost ring, express, or square notch rear sights. Three heights accommodate most installation requirements.

FIBER OPTIC 65 DEGREE FRONT SIGHT USER MANUAL

Introduction

Thank you for choosing the FIBER OPTIC 65 DEGREE FRONT SIGHT. This product is designed to enhance your shooting experience with its bright fiber optic insert and improved light transmission. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Ensure safe use of this product by following all guidelines and recommendations.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product through official channels.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Extra caution should be taken when this product is used around children or vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the designated contact point in the EU.
- **Rapid Alerts:** Keep updated on any safety alerts regarding this product via the Safety Gate system.

Specific Safety Precautions for Use

- **Personal Protective Equipment:** Always wear appropriate eye protection when using firearms equipped with this sight.
- **Installation:** Ensure the sight is installed correctly to avoid any operational hazards.
- **Handling:** Handle the firearm with care, ensuring that it is pointed in a safe direction at all times.
- **Maintenance:** Regularly check the sight for any signs of damage or wear. Do not use if damaged.
- **Environment:** Use this product in a safe and controlled environment, away from unauthorized individuals.

Instructions for Installation and Usage

Installation

1. **Tools Required:** Ensure you have the necessary tools for installation, including a screwdriver and any specific tools recommended by the firearm manufacturer.
2. **Remove Old Sight:** Carefully remove the existing front sight from your firearm.
3. **Clean the Area:** Clean the sight mounting area to remove any debris or residue.
4. **Install New Sight:**
 - Align the FIBER OPTIC 65 DEGREE FRONT SIGHT with the mounting area.
 - Securely fasten the sight using the appropriate screws or fasteners.
 - Ensure the sight is stable and properly aligned.
5. **Check Alignment:** After installation, check the alignment of the sight with the rear sight.

Usage

- **Aiming:** Use the bright fiber optic insert to acquire your target quickly.
- **Shooting:** Maintain a firm grip on the firearm and ensure proper stance while shooting.
- **Lighting Conditions:** The sight performs optimally in various lighting conditions, but ensure adequate light for best visibility.

Disposal Instructions

- **Environmental Responsibility:** Dispose of this product in accordance with local regulations regarding electronic and optical waste.
- **Recycling:** If possible, recycle components of the sight to minimize environmental impact.
- **Hazardous Materials:** Do not dispose of the sight in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the FIBER OPTIC 65 DEGREE FRONT SIGHT, please refer to the manufacturer's contact information provided with your product or consult the official website for further assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your FIBER OPTIC 65 DEGREE FRONT SIGHT. Thank you for your attention to safety!
