

1911 COMPETITION SEAR - EGW 1911 AUTO SEAR

[Handgun Parts](#) > [Trigger Group Parts](#) > [Sear Parts](#) > [Sears](#)

Ultra-Hard, Machined Tool Steel Sear For Long-Lasting Match-Quality Triggers

Ultra-hard sear gives a clean-breaking, light-feeling trigger pull with little or no time-consuming stoning—can be installed straight out of the package in many cases. Precision CNC-machined from tool steel barstock, then ground for precise geometry to ensure correct sear angle for full hammer/sear engagement. Hardened to Rc 55 for exceptionally long life, so your trigger job lasts longer.

Safety Instruction Guide for 1911 Competition Sear EGW 1911 Auto Sear

Introduction

Thank you for choosing the 1911 Competition Sear EGW 1911 Auto Sear. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this guide thoroughly before using the sear.

General Safety Guidelines

- **Product Safety:** Ensure that you use the 1911 Competition Sear only as intended. This product has been designed to meet safety standards, but improper use can lead to hazards.
- **Enhanced Recalls:** Stay informed about product recalls. If any safety concerns arise, you will be notified through standardized recall notices.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements. Verify that the product is genuine and safe for use.
- **Special Consumer Focus:** Keep this product away from children and vulnerable individuals. It is not intended for use by those who may not understand the risks involved.
- **EU Contact Point:** For any safety inquiries, it is essential to have access to an EU-based contact point for assistance.
- **Rapid Alerts:** Be aware of the Safety Gate system, which provides faster updates on unsafe products.

Specific Safety Precautions for Use

- **Installation:** Ensure that the installation is performed by a qualified individual. Improper installation can lead to malfunction or accidents.
- **Inspection:** Regularly inspect the sear for wear or damage. A damaged sear can cause unsafe trigger operation.
- **Trigger Pull:** Be aware that the sear is designed for a lightfeeling trigger pull. Ensure that users are trained to handle this sensitivity.
- **Storage:** Store the product in a secure location, away from children and unauthorized users.
- **Usage Environment:** Use the sear in a safe environment where distractions are minimized, and safety precautions are in place.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have the necessary tools for installation.
- Follow the manufacturer's instructions for mounting the sear. If unsure, consult a professional gunsmith.
- Verify that the sear is properly aligned and secured before proceeding to use the firearm.

2. Usage:

- Always handle the firearm with care. Treat every firearm as if it is loaded.
- Before using the firearm, check that the trigger mechanism is functioning correctly.
- Use the firearm only in a safe and controlled environment, such as a shooting range.
- Be aware of your surroundings and ensure that the area is clear of unauthorized personnel.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding hazardous materials.
- Do not discard the sear in regular household waste. Check with local authorities for proper disposal methods.
- Ensure that any remaining components are rendered unusable before disposal.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Competition Sear EGW 1911 Auto Sear, please consult with a qualified gunsmith or contact the retailer from which you purchased the product.

Thank you for prioritizing safety and responsible use. Enjoy your experience with the 1911 Competition Sear.
