Introduction

Thank you for choosing the 1911 Five Chamber Compensator EGW ConeStyle Comp. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure the compensator is compatible with your firearm model.
- Always handle firearms and accessories with care and follow standard safety practices.
- Inspect the compensator for any damage before installation.
- Keep out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunction or injury.
 - Failure to follow usage instructions may result in increased recoil or damage to the firearm.
- **Avoiding Hazards:**
 - Ensure the firearm is unloaded before installation.
 - Use the compensator only with the recommended barrel systems.
 - Do not modify the compensator in any way.
 - Wear appropriate eye and ear protection when firing.
- **AudienceSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Remove the existing muzzle device if applicable.
 3. Clean the muzzle threads of the barrel to ensure proper fit.
 4. If using the threaded option, align the compensator with the barrel threads.
 5. Handtighten the compensator onto the barrel until secure. Do not overtighten.
 6. If using the integral cone, ensure it is properly seated against the barrel.
- **Usage:**
 - Fire the firearm in a safe and controlled environment.
 - Monitor the performance of the compensator during use.
 - If you experience any unusual behavior (e.g., excessive recoil, misfire), cease use immediately and inspect the installation.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- Do not dispose of the compensator in regular household waste.
- Contact a local waste management facility for proper disposal methods.
