

# REMINGTON 700 LITE FIRING PIN & SPRING - GRE-TAN SHORT ACTION FIRING PIN & SPRING

[Rifle Parts](#) > [Bolt Parts](#) > [Firing Pin Parts](#) > [Firing Pins](#)

## Decreased Weight & Reduced Lock Time

7075 aluminum shank with a heat-treated stainless steel pin decreases lock times by 36-38% compared to standard, steel firing pin. Long action firing pin is 328 grains (56% lighter than factory); short action weighs 289 grains (55% lighter than factory). Includes tight-fitting steel spring that won't rub inside the bolt body and reduces wear and binding.

## Attributes

- Name: [GRE-TAN SHORT ACTION FIRING PIN & SPRING](#)
- Manufacturer: [GRE-TAN](#)
- Product no.: 309000007
- Mfr. No.: NONE

# REMINGTON 700 LITE FIRING PIN & SPRING Safety Instruction Guide

## Introduction

Thank you for purchasing the REMINGTON 700 LITE FIRING PIN & SPRING by GRETAN. This product is designed to enhance the performance of your firearm while maintaining safety. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that you are familiar with your firearm's operation and safety mechanisms.
- Store the firing pin and spring in a secure location, away from children and unauthorized users.
- Regularly inspect the firing pin and spring for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the firing pin and spring with incompatible firearm models.
- Ensure that the firearm is unloaded before installation or maintenance.
- Avoid using excessive force during installation to prevent damage to the components.
- Always wear appropriate eye protection when handling or working on firearms.
- Keep hands and tools clear of the bolt body during installation to avoid injury.
- If you experience any issues during installation or operation, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary tools for installation (e.g., screwdrivers, wrenches).

### 2. Removing the Old Firing Pin:

- Open the bolt and remove it from the firearm.
- Follow the manufacturer's instructions to disassemble the bolt.
- Carefully remove the old firing pin and spring.

### 3. Installing the New Firing Pin & Spring:

- Insert the new GRETAN firing pin into the bolt body.
- Position the steel spring in place, ensuring it fits snugly without rubbing against the bolt body.
- Reassemble the bolt according to the manufacturer's instructions.

### 4. Final Checks:

- Ensure that the firing pin moves freely and does not bind.
- Reinstall the bolt into the firearm and perform a function check to ensure proper operation.

### 5. Usage:

- Use the firearm in accordance with the manufacturer's guidelines and local laws.
- Regularly inspect the firing pin and spring for wear and ensure they are functioning properly.

## **Disposal Instructions**

- Dispose of any old or damaged firing pins and springs in accordance with local regulations.
- Do not dispose of products in regular household waste. Instead, contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the REMINGTON 700 LITE FIRING PIN & SPRING, please refer to the manufacturer's website or contact the designated support service.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities.
