

# RIFLE 2-SCREW GRIP CAP - JERRY FISHER 2-SCREW GRIP CAP UNFINISHED STEEL

[Rifle Parts](#) > [Stock Parts](#) > [Butt Plate Parts](#) > [Grip Caps](#)

## Adds That Special Touch To Your Stock

Two-screw design leaves the center area open for embellishments that won't work with single-screw caps. Counterbored holes ensure positive screw seating.

# RIFLE 2SCREW GRIP CAP SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the RIFLE 2SCREW GRIP CAP. This product is designed to enhance your shooting experience by providing a reliable grip cap option. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used for its intended purpose only.
- Regularly inspect the grip cap for signs of wear or damage before each use.
- Keep the grip cap out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for installation and usage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to grip cap detachment during use.
  - Sharp edges on the grip cap may cause injury during handling.
- **Avoiding Hazards:**
  - Ensure that all screws are tightened securely before use.
  - Handle the grip cap carefully to avoid cuts from sharp edges.
  - Do not modify the grip cap in any way, as this may compromise safety.
  - Always use the grip cap in a safe environment, free from distractions.

## Instructions for Installation and Usage

### 1. Installation:

- Gather the necessary tools: a screwdriver compatible with the screws provided.
- Align the grip cap with the designated area on your rifle.
- Insert the screws into the counterbored holes and tighten securely.
- Ensure that the grip cap is firmly attached and does not move.

### 2. Usage:

- Always check the grip cap before each use to ensure it is securely attached.
- Use the grip cap only as intended and avoid excessive force that may damage it.
- If you notice any damage or looseness, discontinue use immediately and inspect the cap.

## Disposal Instructions

- Dispose of the grip cap in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent injury.
- Recycle materials when possible, following your local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the RIFLE 2SCREW GRIP CAP, please reach out to the designated contact point provided with your product. Always ensure that you have the latest information regarding safety recalls and updates.

Thank you for your attention to these safety instructions. Your safety is our priority.
