# Safety Instruction Guide for 130A MIL SPEC GREASE 15 OZ. LUBRIPLATE 130A

## Introduction

Thank you for choosing the 130A MIL SPEC GREASE by LUBRIPLATE. This product is specifically designed for lubricating military firearms, ensuring optimal performance under various weather conditions. This safety instruction guide provides essential information to ensure safe handling, usage, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read the product label and safety data sheet before use.
- Ensure proper ventilation when using the product to avoid inhalation of fumes.
- Keep the product out of reach of children and pets.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Do not mix with other chemicals or products unless specified by the manufacturer.
- In case of accidental contact with skin or eyes, wash immediately with plenty of water and seek medical advice if irritation persists.
- Dispose of the product and its container in accordance with local regulations.

## Specific Safety Precautions for Use

- Ensure that you are wearing appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling the grease.
- Do not apply the grease near open flames or sparks as it is flammable.
- Avoid prolonged skin contact to prevent irritation.
- Use only as directed for the lubrication of M1 Garand and M14 rifles.
- Do not ingest the product. If ingested, seek medical help immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before applying grease.
- Clean the surfaces to be lubricated to remove any dirt or old lubricant.

### 2. Application:

- Apply a small amount of 130A MIL SPEC GREASE to the metal surfaces using a clean applicator or cloth.
- Spread the grease evenly to ensure full coverage.
- Avoid overapplication; a thin layer is sufficient for effective lubrication.

### 3. PostApplication:

- Allow the grease to settle for a few minutes before reassembling the firearm.
- Regularly check the lubrication and reapply as necessary, especially after exposure to harsh conditions.

## Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local hazardous waste disposal regulations.
- Do not dispose of the product in household waste or down the drain.

## Contact Information for Further Support

For any inquiries regarding product safety, usage, or disposal, please contact your local distributor or refer to the manufacturer's website for support resources and safety information.

## Conclusion

By following these safety instructions, you can ensure the safe use of 130A MIL SPEC GREASE while protecting yourself and the environment. Stay informed about any recalls or safety updates through the EU's Safety Gate platform and report any unsafe products to the relevant authorities. Thank you for your attention to safety.
