# Safety Instruction Guide for COMPARTMENT BOXES BROWNELLS STORAGE BIN, 5 COMPARTMENT, 57/8"X31/2"X13/4", 2 PACK

## Introduction

Thank you for choosing the COMPARTMENT BOXES BROWNELLS STORAGE BIN. These tough, seethrough boxes are designed for efficient organization and quick identification of contents. This guide provides important safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children to prevent accidental injury.
- Regularly inspect the product for any signs of damage or wear.
- Do not expose the product to extreme temperatures or direct sunlight for prolonged periods.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Material Safety:** The boxes are made of special polypropylene that is durable and resistant to cracking. However, avoid contact with supersolvents as they may damage the material.
- **Handling:** Handle the boxes with care to avoid dropping or causing impact damage.
- **Storage:** Store the boxes in a dry, cool place to maintain their integrity and prolong their lifespan.
- **Contents:** Only store items that are compatible with the material of the boxes. Avoid storing food items or any substances that may react with polypropylene.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the boxes from their packaging. Inspect for any damage before use.
2. **Organization:** Use the compartments to organize small items. Ensure that the items do not exceed the height of the box.
3. **Identification:** Utilize the clear design for easy visibility of contents. Label if necessary for better organization.
4. **Cleaning:** Clean the boxes with a mild detergent and water. Avoid abrasive cleaners that may scratch the surface.
5. **Transporting:** When transporting the boxes, ensure they are secured to prevent shifting or falling.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic waste.
- Do not incinerate the product as it may release harmful substances when burned.
- If the product is damaged beyond use, consider recycling it if facilities are available in your area.

## Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of this product, please refer to the manufacturer's contact details provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. Your safety is our priority.
