## 81/4"X41/4"X11/4" Safety Instructions

### Introduction

Thank you for choosing the Brownells Compartment Boxes. These tough, seethru boxes are designed for fast contents identification and are made from special polypropylene that ensures durability. This guide provides important safety instructions to ensure safe use and compliance with EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Ensure that the compartment boxes are used only for their intended purpose.
- Regularly inspect the boxes for any signs of damage or wear before use.
- Keep the boxes out of reach of children to prevent accidental injury or misuse.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Do not expose the compartment boxes to extreme temperatures or direct sunlight for prolonged periods, as this may affect the material's integrity.
- Avoid using the boxes for storing food or consumable items, as they are not designed for such purposes.
- Be cautious when handling the boxes to prevent cuts or abrasions from sharp edges.
- If the boxes become damaged, discontinue use immediately and dispose of them properly.
- Ensure that the boxes are closed securely when in transit to avoid spilling contents.

### Instructions for Installation and Usage

#### 1. Unpacking the Product:

- Carefully remove the compartment boxes from the packaging.
- Inspect the boxes for any visible damage.

#### 2. Setting Up:

- Place the boxes on a flat, stable surface.
- Ensure that the boxes are clean and dry before use.

#### 3. Organizing Contents:

- Use the compartments to organize small items effectively.
- Label compartments if necessary for easy identification.

#### 4. Closing and Securing:

- Ensure that the lids are closed tightly to prevent contents from spilling.
- Store the boxes in a dry, cool place when not in use.

#### 5. Cleaning Instructions:

- Clean the boxes with a damp cloth and mild detergent.
- Avoid using abrasive cleaners or solvents that may damage the polypropylene material.

## **Disposal Instructions**

- Dispose of the compartment boxes in accordance with local waste management regulations.
- Do not incinerate the boxes, as this may release harmful substances.
- If the boxes are no longer usable, consider recycling them if facilities are available.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact information provided by the manufacturer or retailer from which you purchased the product.
