Safety Instruction Guide for COMPARTMENT BOXES BROWNELLS STORAGE BIN, 6 COMPARTMENTS, 81/4"X41/4"X11/4", 2 PACK

Introduction

Thank you for choosing the COMPARTMENT BOXES BROWNELLS STORAGE BIN. These tough, seethrough boxes are designed for efficient contents identification and are made from durable polypropylene. This guide provides important safety information to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always inspect the compartment boxes before use. Do not use if damaged.
- Keep the product out of reach of children to prevent potential hazards.
- Use the boxes only for their intended purpose to avoid misuse.
- Ensure the boxes are placed on a stable surface to prevent accidental tipping or falling.
- Avoid exposure to supersolvents that may damage the polypropylene material.

Specific Safety Precautions for Use

- Handle the boxes with care to avoid sharp edges or potential injury.
- Do not overload the compartments beyond their intended capacity to prevent breakage.
- Avoid using the boxes in extreme temperatures, as this may affect the material's integrity.
- If you notice any discoloration, cracking, or other signs of wear, discontinue use immediately.
- Ensure proper ventilation when using the boxes in conjunction with any chemicals or substances.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the compartment boxes from their packaging. Dispose of the packaging responsibly.
2. **Placement:**
 - Choose a clean, dry area for placement.
 - Ensure the surface is stable and flat.
3. **Filling:**
 - Open the compartment lids gently.
 - Place items in each compartment as needed, ensuring they do not exceed the compartment's capacity.
4. **Closing:**
 - After filling, securely close the lids to protect contents.
5. **Storage:**
 - Store the boxes in a cool, dry place away from direct sunlight.
 - Avoid stacking heavy items on top of the boxes to prevent damage.

Disposal Instructions

- Dispose of the compartment boxes in accordance with local waste disposal regulations.
- If the boxes are no longer usable, consider recycling them if facilities are available.
- Do not incinerate the product as it may release harmful fumes.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the safe use of the COMPARTMENT BOXES BROWNELLS STORAGE BIN. Always prioritize safety and keep informed about any product recalls or safety updates through the EU's Safety Gate platform. Thank you for your attention to safety and for choosing our product.
