

COMPARTMENT BOXES - BROWNELLS STORAGE BIN, 9 COMPARTMENT, 7"X3-1/2"X1-1/4", 2 PACK

[Gunsmith Tools](#) > [Shop Accessories & Supplies](#) > [Compartment Boxes](#)

Tough, Clear Polypropylene, Won't Shatter-Resists Oils & Solvents

Tough, see-thru boxes for fast contents identification. Special polypropylene - won't crack; survives all but some super-solvents.

* Styrene Plastic - Not Polypropylene. Solvent does damage; can break.

COMPARTMENT BOXES BROWNELLS STORAGE BIN, 9 COMPARTMENT, 7"X31/2"X11/4", 2 PACK

Safety Instructions

Introduction

Thank you for choosing the Brownells Compartment Boxes. These tough, seethrough boxes are designed for easy identification of contents and are made from special polypropylene that ensures durability. This safety instruction guide provides essential information to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used as intended to avoid risks associated with improper use.
- Keep the product out of reach of children to prevent accidents.
- Regularly inspect the boxes for any signs of damage or wear.
- Do not expose the boxes to extreme temperatures or harsh chemicals that could compromise their integrity.
- Report any unsafe conditions or accidents to local authorities.

Specific Safety Precautions for Use

- Do not overload the compartments beyond their intended capacity.
- Avoid using the boxes for storing food or perishable items.
- Ensure that the boxes are placed on a stable surface to prevent tipping or falling.
- Handle the boxes with care to prevent cracking or breaking, especially when dropping or striking them against hard surfaces.
- If using solvents, ensure that they are compatible with polypropylene to avoid damage to the boxes.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the compartment boxes from the packaging. Inspect for any visible damage.
2. **Placement:** Place the boxes on a flat, stable surface to ensure they remain secure during use.
3. **Filling:** Organize items into the compartments. Ensure that items are not too heavy or sharp to avoid damaging the compartments.
4. **Identification:** Use labels or markers to identify contents if necessary, ensuring they do not interfere with the boxes' visibility.
5. **Cleaning:** Clean the boxes with a damp cloth. Avoid using abrasive materials or harsh chemicals that could scratch the surface.

Disposal Instructions

- Dispose of the compartment boxes in accordance with local waste disposal regulations.
- Do not incinerate the boxes as they may release harmful substances when burned.
- If the boxes are no longer usable, consider recycling them if facilities are available for polypropylene.

Contact Information for Further Support

For any inquiries or safety concerns regarding this product, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Thank you for following these safety instructions. Your safety is our priority.
