COMPARTMENT BOXES BROWNELLS 11" X 6 1/2", 6 COMPARTMENTS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Brownells Compartment Boxes. Designed for durability and ease of use, these tough, seethru boxes allow for quick identification of contents. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always inspect the compartment boxes for any signs of damage before use.
- Ensure that the boxes are used only for their intended purpose, which is to store small items securely.
- Keep the boxes out of reach of children unless they are supervised.
- Do not expose the boxes to extreme temperatures or direct sunlight for extended periods.
- Regularly check for any wear and tear, and discontinue use if any issues are found.

Specific Safety Precautions for Use

- Do not use the boxes to store food or consumables.
- Avoid using the boxes with chemicals that may react with polypropylene.
- Do not overload the compartments beyond their intended capacity to prevent breakage.
- Handle the boxes with care to avoid dropping them, which could lead to cracking.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the compartment boxes from the packaging. Dispose of the packaging materials responsibly.
2. **Placement:** Choose a stable and dry location for storing the boxes. Ensure they are placed on a flat surface to prevent tipping.
3. **Loading Items:**
 - Open the lid of the compartment box.
 - Place items into the compartments, ensuring they are evenly distributed.
 - Close the lid securely after loading.
4. **Cleaning:** Clean the boxes with a damp cloth. Avoid using abrasive cleaners or solvents that could damage the polypropylene material.
5. **Storage:** Store the boxes in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the compartment boxes in accordance with local waste management regulations.
- If the boxes are damaged beyond repair, consider recycling them if facilities are available.
- Do not incinerate the boxes, as this may release harmful substances.

Contact Information for Further Support

For any safety inquiries or additional information regarding the use of the Brownells Compartment Boxes, please refer to the manufacturer's contact details provided on the packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using the Brownells Compartment Boxes. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
