# **Safety Instruction Guide for Compartment Boxes**

## **Brownells 8 1/4"X4 1/4"X1 1/4", 18 Compartments**

### **Introduction**

Thank you for choosing the Compartment Boxes by Brownells. These tough, seethru boxes are designed for easy identification of contents and are made from special polypropylene material that ensures durability. This guide provides essential safety instructions and usage information to ensure your safety and satisfaction.

### **General Safety Guidelines**

- Always use the product as intended to prevent accidents and injuries.
- Inspect the boxes for any visible damage before use. Do not use if damaged.
- Keep the boxes out of reach of children to prevent choking hazards.
- Avoid exposure to extreme temperatures, which may compromise the integrity of the polypropylene material.
- Regularly check for any signs of wear or degradation, especially if used in harsh environments.

### **Specific Safety Precautions for Use**

- Ensure that the compartments are not overloaded, as this may lead to breakage.
- Do not use the boxes for storing food items or consumables, as they are not designed for such purposes.
- Avoid using the boxes with supersolvents that may degrade the polypropylene material.
- If the boxes are used in a workshop or similar environment, ensure that they are stored securely to prevent accidental spills or falls.

### **Instructions for Installation and Usage**

#### **1. Unpacking the Product:**

- Carefully remove the compartment boxes from the packaging.
- Dispose of packaging materials according to local regulations.

#### **2. Organizing Contents:**

- Open the lid of the compartment boxes.
- Place items into the individual compartments based on your organization needs.
- Ensure that items do not exceed the height of the compartments to avoid lid damage.

#### **3. Closing the Boxes:**

- After organizing, securely close the lid to prevent items from spilling out.
- Ensure that the lid is properly aligned with the base for a tight fit.

#### **4. Storing the Boxes:**

- Store the compartment boxes in a dry, cool place away from direct sunlight.
- Avoid stacking heavy items on top of the boxes to prevent crushing.

#### **5. Cleaning and Maintenance:**

- Clean the boxes with a damp cloth and mild soap if necessary.
- Do not use abrasive cleaners or scrubbers that may scratch the surface.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- If the product is no longer usable, consider recycling the polypropylene material if facilities are available in your area.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the Compartment Boxes, please refer to the contact details provided by the retailer or manufacturer. Make sure to keep the purchase receipt for reference.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Compartment Boxes by Brownells. For more information on product safety and recalls, please stay informed through the EU's Safety Gate platform. Thank you for your attention to safety and enjoy using your new storage solution!
