

RIFLE, GUN & KNIFE WAX - FLITZ RIFLE, GUN & KNIFE WAX

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Compounds](#)

Water-Repelling Protectant Your Guns Will Thank You For

Non-abrasive, silicone-free protectant shields firearms and knives from rust and the corrosive effects of powder residue, fingerprints, water spots, tree sap, blood, and more. Rifle, Gun & Knife Wax contains a unique blend of Brazilian Carnauba wax and beeswax to provide a tough, protective finish that lasts up to six months in fresh water conditions and three months in salt water environments. Safe for all metals - blued steel, stainless steel, brass, aluminum, and nickel plating - as well as wood and fiberglass stocks, paint, acrylics, and plastic. Won't attract dust, and leaves no white residue or buildup.

RIFLE, GUN & KNIFE WAX Safety Instruction Guide

Introduction

Thank you for choosing RIFLE, GUN & KNIFE WAX by FLITZ. This product is designed to protect your firearms and knives from rust and corrosion. To ensure your safety and the safety of others, please read and follow the instructions and safety guidelines outlined in this document.

General Safety Guidelines

- Always store the product out of reach of children and pets.
- Use the product only for its intended purpose as specified in the instructions.
- Ensure adequate ventilation when using the product to avoid inhalation of vapors.
- Avoid contact with eyes and skin. If contact occurs, rinse immediately with plenty of water.
- In case of accidental ingestion, seek medical attention immediately.
- Dispose of any unused product and packaging in accordance with local regulations.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Wear gloves to avoid skin contact.
 - Consider wearing safety goggles to protect your eyes.
- **Application Precautions:**
 - Do not apply the product near open flames or heat sources.
 - Ensure surfaces to be treated are clean and dry before application.
- **Environmental Considerations:**
 - Avoid direct application to living plants or surfaces that may come into contact with food.
 - Do not dispose of the product in waterways.

Instructions for Installation and Usage

1. Preparation:

- Shake the bottle well before use to ensure an even mixture.
- Clean the surface of the firearm or knife to remove any dirt, oil, or debris.

2. Application:

- Apply a small amount of RIFLE, GUN & KNIFE WAX onto a clean, soft cloth.
- Spread the wax evenly over the surface of the firearm or knife.
- Use circular motions to ensure complete coverage.

3. Drying:

- Allow the wax to dry for a few minutes.
- Buff the surface with a clean, dry cloth to achieve a shiny finish.

4. Storage:

- Store the product in a cool, dry place away from direct sunlight.
- Ensure the cap is tightly closed when not in use.

Disposal Instructions

- Dispose of any unused product and its packaging in accordance with local waste disposal regulations.
- Do not pour the product down the drain or into the environment.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of RIFLE, GUN & KNIFE WAX, please contact the manufacturer directly. Ensure to keep this guide for future reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
