

# TUMBLER/MEDIA ADDITIVE - FLITZ TUMBLER MEDIA ADDITIVE 16OZ

[Reloading](#) > [Case Cleaning](#) > [Tumbling Media & Additives](#)

## Cuts Tumbling Time, Leaves Metal Shiny & Won't Attack Brass

Removes oxidation, tarnish, lead buildup, fingerprints, and other contaminants to leave brass, nickel, and just about any metal bright and shiny. Combine with corn cob, walnut shells, or other media to cut tumbling time in half compared to using media alone. Ecologically safe and contains no ammonia, so it won't damage primers or make brass brittle (no ammonia smell, either).

## Attributes

- Name: [FLITZ TUMBLER MEDIA ADDITIVE 16OZ](#)
- Manufacturer: [FLITZ](#)
- Product no.: 314100016
- Mfr. No.: TA04806
- Weight: 16.0 oz
- Delivery weight: 0.431kg
- Shipping height: 762mm
- Shipping width: 102mm
- Shipping length: 25mm
- UPC: 065925048063

# TUMBLER/MEDIA ADDITIVE FLITZ TUMBLER MEDIA ADDITIVE 16OZ Safety Instruction Guide

## Introduction

Thank you for choosing the Flitz Tumbler Media Additive. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the additive.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always handle the product in a wellventilated area.
- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Dispose of the product and its container in accordance with local regulations.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The product may cause irritation to skin and eyes upon contact.
- Inhalation of vapors may cause respiratory discomfort.

- **Avoiding Hazards:**

- Wear gloves and safety goggles when handling the product.
- Ensure adequate ventilation in the area where the product is used.
- Do not mix the additive with other chemicals or substances unless specified in the instructions.
- Do not use the product if it is past its expiration date or if the container is damaged.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Keep out of reach of minors.

## Instructions for Installation and Usage

1. **Preparation:**

- Shake the bottle well before use to ensure even distribution of the additive.
- Measure the appropriate amount of additive based on the volume of tumbling media being used.

2. **Mixing:**

- Combine the Flitz Tumbler Media Additive with your chosen tumbling media (e.g., corn cob or walnut shells).
- Use approximately 12 ounces of additive per 5 pounds of tumbling media for optimal results.

3. **Tumbling Process:**

- Place the media and additive mixture in the tumbler.
- Follow the manufacturer's instructions for the tumbling time. The additive is designed to cut

- tumbling time in half compared to using media alone.
- Monitor the tumbling process to ensure safe operation of the equipment.

#### **4. PostTumbling:**

- After tumbling, carefully remove the media and cleaned items.
- Rinse the cleaned items thoroughly to remove any residual additive.

## **Disposal Instructions**

- Dispose of any unused product and empty containers in accordance with local waste disposal regulations.
- Do not pour the product down drains or into the environment.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Flitz Tumbler Media Additive, please contact the manufacturer's customer service or refer to the product packaging for specific contact details.

By following these safety instructions, you can ensure a safe and effective experience with the Flitz Tumbler Media Additive. Always prioritize safety and proper handling to protect yourself and others. Thank you for your attention to these important guidelines.
