

POLISH - 50 GRAM FLITZ POLISH

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Compounds](#)

High Luster On Blued Steel, Aluminum, Brass, Plastic, Glass & More

Absolutely non-abrasive polish for all metals, fiberglass and most hard plastics. Removes corrosion, tarnish and discolorations. Brings finishes up to superb brightness, but its greatest asset in the gunshop is the ability to remove surface rust from blued finishes without damaging the bluing underneath. Leaves a protective film that resists further rust, corrosion, etc., for up to six months. Contains no acids.

Safety Instruction Guide for POLISH 50 GRAM FLITZ POLISH

Introduction

Thank you for choosing POLISH 50 GRAM FLITZ POLISH. This guide provides essential safety instructions to ensure the safe use of this product. Please read the following information carefully to understand how to use the polish effectively and safely.

General Safety Guidelines

- Ensure safe use of the product by following the instructions provided.
- Always store the product out of reach of children and vulnerable individuals.
- Check for any recalls or safety alerts related to this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Ingestion:** This product is not for consumption. Keep it away from food and drink.
- **Use in a WellVentilated Area:** Ensure adequate ventilation when using the polish to avoid inhalation of fumes.
- **Avoid Skin Contact:** Wear gloves to prevent skin irritation. If contact occurs, wash the affected area with soap and water.
- **Protect Eyes:** Avoid contact with eyes. In case of contact, rinse immediately with plenty of water and seek medical attention if irritation persists.
- **Keep Away from Heat Sources:** Store and use away from heat, sparks, or open flames to prevent fire hazards.
- **Follow Disposal Instructions:** Dispose of the product according to local regulations to minimize environmental impact.

Instructions for Installation and Usage

1. Preparation:

- Ensure the surface to be polished is clean and dry.
- Shake the tube gently before use.

2. Application:

- Squeeze a small amount of polish onto a soft, clean cloth.
- Apply the polish to the surface in a circular motion.
- For best results, allow the polish to sit for a few minutes before buffing.

3. Buffing:

- Use a separate clean cloth to buff the surface until a bright shine is achieved.
- For surfaces with heavy tarnish or rust, repeat the application as necessary.

4. PostUse:

- Clean any excess polish from the surface.
- Reseal the tube tightly after use to prevent drying out.

Disposal Instructions

- Dispose of the product container and any unused polish in accordance with local waste management regulations.
- Do not dispose of the product in household waste. Check for special disposal instructions or recycling options in your area.

Contact Information for Further Support

For any inquiries regarding the safety and use of POLISH 50 GRAM FLITZ POLISH, please consult the product's packaging or visit the manufacturer's website for more information.

By following these safety instructions, you can ensure a safe and effective experience with POLISH 50 GRAM FLITZ POLISH. Thank you for your attention to these important guidelines.
