

POLISH - 150 GRAM FLITZ POLISH

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Compounds](#)

High Luster On Blued Steel, Aluminum, Brass, Plastic, Glass & More

Absolutely non-abrasive polish for all metals, fiberglass and most hard plastics. Removes corrosion, tarnish and discolorations. Brings finishes up to superb brightness, but its greatest asset in the gunshop is the ability to remove surface rust from blued finishes without damaging the bluing underneath. Leaves a protective film that resists further rust, corrosion, etc., for up to six months. Contains no acids.

Safety Instruction Guide for POLISH 150 GRAM FLITZ POLISH

Introduction

Thank you for purchasing the POLISH 150 GRAM FLITZ POLISH. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to avoid any potential hazards.

General Safety Guidelines

- Ensure safe use of the polish by following the instructions provided.
- This product is designed for use on metals, fiberglass, and most hard plastics only.
- Always check for recalls or safety alerts related to this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- This polish is nonabrasive; however, always test on a small, inconspicuous area first.
- Avoid contact with eyes. In case of contact, rinse thoroughly with water and seek medical attention if irritation persists.
- Ensure adequate ventilation when using the polish to avoid inhalation of fumes.
- Keep out of reach of children and vulnerable individuals.
- Do not ingest. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Do not mix with other chemicals or cleaning products.

Instructions for Installation and Usage

1. Preparation:

- Ensure the surface to be polished is clean and free from dust and debris.
- Shake the tube gently before use.

2. Application:

- Squeeze a small amount of polish onto a soft, clean cloth.
- Apply the polish to the surface using gentle circular motions.
- For tougher stains, allow the polish to sit for a few minutes before buffing.

3. Buffing:

- Use a separate clean cloth to buff the surface until the desired shine is achieved.
- Ensure no residue remains on the surface.

4. PostUse Care:

- Clean the cloths used for application and buffing with warm soapy water.
- Reseal the tube tightly after each use to maintain product integrity.

Disposal Instructions

- Dispose of any unused product and packaging in accordance with local regulations.

- Do not dispose of the product down the drain or in water bodies.
- Check for local recycling programs that accept plastic tubes.

Contact Information for Further Support

For any inquiries regarding safety or product information, please contact the manufacturer directly. Ensure to have the product details ready for reference.

By adhering to these guidelines, you can ensure the safe and effective use of POLISH 150 GRAM FLITZ POLISH. Thank you for your attention to safety!
