Extended Rubber Recoil Pad Safety Instructions

Introduction

Thank you for choosing the Extended Rubber Recoil Pad for CommercialSpec CTR®/MOE® Stock. This guide provides essential safety instructions to ensure the safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is installed correctly to avoid any accidents or injuries.
- Regularly inspect the recoil pad for signs of wear or damage. Do not use if damaged.
- Keep the recoil pad out of reach of children to prevent accidental use or injury.
- Use only with compatible stocks as specified in the product description.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Avoid using the recoil pad in extreme weather conditions, which may affect its performance.
- Do not modify the recoil pad or its installation hardware.
- Ensure that the recoil pad is securely mounted before use to prevent slippage during operation.
- If you experience discomfort or pain while using the product, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and hardware for installation.
- Ensure the area is clean and free from obstructions.

2. Installation Steps

- Remove the existing butt pad from your CTR® or MOE® CommercialSpec Carbine stock.
- Align the Extended Rubber Recoil Pad with the stock and ensure it fits properly.
- Use the existing hardware to secure the recoil pad in place. Tighten all screws firmly but do not overtighten, as this may cause damage.
- Verify that the recoil pad is securely attached and does not move when pulled.

3. Usage

- When using the firearm equipped with the recoil pad, ensure that you maintain a proper grip and stance.
- Regularly check the recoil pad for any signs of wear or loosening during usage.

Disposal Instructions

- Dispose of the recoil pad in accordance with local regulations.
- Do not dispose of the product in fire, as it may release harmful substances.

Contact Information for Further Support

For safety inquiries or further assistance regarding the Extended Rubber Recoil Pad, please refer to the contact information provided in your product packaging or visit the manufacturer's official website.

Thank you for prioritizing safety and compliance while using your Extended Rubber Recoil Pad. Your safety is our priority!
