Safety Instruction Guide for STOCKMAKER'S HANDSCREWS

Introduction

Thank you for choosing the STOCKMAKER'S HANDSCREWS by Forster Products, Inc. These hand screws are designed to assist stockmakers in accurately fitting stocks to actions for Ruger & MK II firearms. This guide provides important safety instructions to ensure safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the hand screws are used only for their intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the hand screws are compatible with your firearm model (Ruger 77 Mark II).
- Use the product on a stable and level surface to prevent accidents.
- Avoid overtightening the screws, as this may damage the firearm or the screws themselves.
- Wear appropriate safety gear, such as safety glasses, when using hand screws.
- Do not modify the hand screws in any way, as this may compromise safety and functionality.
- If using the hand screws in conjunction with other tools, ensure that all tools are in good working condition.

Instructions for Installation and Usage

1. Preparation:

- Verify that the hand screws are the correct size for your application (10X32 thread).
- Gather all necessary tools and safety equipment before beginning the process.

2. Installation:

- Align the hand screws with the corresponding holes on the stock and action.
- Gently insert the screws into the holes, ensuring they are correctly aligned.
- Handtighten the screws until secure, but do not apply excessive force.

3. Usage:

- Use the hand screws to hold the stock in place while making adjustments.
- After completing adjustments, remove the hand screws carefully to avoid damaging the stock or action.
- Store the hand screws in a safe place when not in use to prevent loss or damage.

Disposal Instructions

- Dispose of the hand screws in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling materials where applicable.

- Do not dispose of the product in general waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the use of the STOCKMAKER'S HANDSCREWS, please consult the manufacturer's website or contact your local distributor for assistance.

By following these safety instructions, you can ensure a safe and effective experience with the STOCKMAKER'S HANDSCREWS. Thank you for prioritizing safety and compliance with EU regulations.
