

BENCH REST® SEATER DIES - FORSTER PRODUCTS, INC. BENCH REST SEATER DIE, 22 NOSLER

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Bench Rest Seater Dies were the first of their kind to utilize a close fitting chamber that holds the case, the bullet and the seating stem all in perfect alignment. This support system allows the reloader to produce exceptionally straight ammunition. Conventional seating dies with a fixed chamber and seating system may start your bullet into the case neck at an angle. They lack the support the Forster Bench Rest Seater provides.

Attributes

- Name: [FORSTER PRODUCTS, INC. BENCH REST SEATER DIE, 22 NOSLER](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 319000053

Consumer Safety Instruction Guide for Forster Bench Rest® Seater Dies

Introduction

Thank you for choosing the Forster Bench Rest® Seater Dies for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the seater dies to minimize risks and ensure compliance with safety regulations.

General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure that the workspace is clean and welllit.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading materials.
- Keep the dies out of reach of children and pets.
- Store the dies in a secure location when not in use.
- Regularly inspect the dies for wear or damage before use.
- Report any accidents or unsafe conditions to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the die is compatible with the cartridge you are using (22 Nosler).
- Do not attempt to modify the die or use it for any purpose other than intended.
- Always use the die in a wellventilated area to avoid inhaling any dust or particles.
- Avoid wearing loose clothing or jewelry that may get caught in the equipment.
- Never leave the die unattended while in use.
- Be aware of the potential for burns from hot materials during the reloading process.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your reloading press is clean and free of debris.
2. **Mounting the Die:**
 - Thread the Forster Bench Rest Seater Die into the reloading press.
 - Tighten the die securely using the Forster Cross Bolt Die Locking Ring to prevent movement during use.
3. **Adjustment:**
 - Adjust the seating stem to the desired depth for bullet seating.
 - Ensure that the die is set correctly to achieve concentric rounds.

Usage

1. **Loading Procedure:**
 - Insert the case into the die.
 - Place the bullet on the case mouth.
 - Use the press handle to lower the seating stem, ensuring that the bullet is seated straight.
2. **Final Check:**
 - Inspect the seated round for proper alignment and depth.
 - Repeat the process for additional rounds, ensuring consistent quality.

Disposal Instructions

- Dispose of any damaged or wornout dies according to local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact local waste management authorities for guidance on safe disposal of hazardous materials.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the manufacturer's official website or customer service contact. Ensure you have the product details on hand for efficient support.

Thank you for prioritizing safety and responsible use of the Forster Bench Rest® Seater Dies. Your adherence to these guidelines helps ensure a safe reloading experience.
