# Safety Instruction Guide for Bushing Bump Neck Sizing Bushings

## Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. These bushings are designed specifically for use with Forster Precision Plus Bushing Bump Dies. This guide provides essential safety information and instructions to help ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the bushings are used only with Forster Precision Plus Bushing Bump Dies. Using them with other brands may pose safety risks and lead to equipment failure.
- Always inspect the bushings for any signs of wear or damage before use. Do not use damaged bushings.
- Keep bushings out of reach of children and pets to prevent accidental injury.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper use may lead to equipment malfunction or personal injury.
  - Small parts can pose a choking hazard if swallowed.
- **Avoiding Hazards:**
  - Always follow the manufacturer's instructions for installation and use.
  - Do not exceed the recommended sizing limits of the bushings.
  - Wear safety glasses when using the bushing in conjunction with dies to protect your eyes from debris.
- **Age Specific Warnings:**
  - These bushings are intended for use by adults or under adult supervision. They are not suitable for children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the die is securely mounted in your reloading press.
- Select the appropriate Forster neck sizing bushing for your application.
- Carefully insert the bushing into the die, ensuring it fits snugly.
- Tighten any screws or fasteners according to the manufacturer's specifications.

### 2. Usage:

- Prepare your brass cases according to standard reloading practices.
- Insert the brass case into the die with the bushing installed.
- Operate the reloading press according to the manufacturer's instructions, applying consistent pressure.
- After resizing, remove the brass case and inspect for proper sizing.
- Clean the bushing after use to maintain its smoothness and longevity.

## Disposal Instructions

- Dispose of any damaged or unusable bushings according to local regulations for metal waste.
- Do not throw bushings in general waste. Check with local authorities for recycling options.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Forster Bushing Bump Neck Sizing Bushings, please refer to the product packaging for the EUbased contact information.

## **Conclusion**

By following these safety instructions, you can ensure a safe and efficient experience with your Forster Bushing Bump Neck Sizing Bushings. Always stay informed about product recalls and safety updates through official channels. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
