BUSHING BUMP DECAPPING UNIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Bushing Bump Decapping Unit from Forster Products, Inc. This product is designed for use with 22 Nosler Bushing Bump Dies and is essential for safe and effective reloading. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Ensure that the Bushing Bump Decapping Unit is used only for its intended purpose.
- Keep the product away from children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses, when using this product.
- Inspect the product for any damage or wear before use. Do not use if damaged.
- Follow the manufacturer's instructions for use and maintenance.
- Report any accidents or unsafe conditions to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Sharp edges may cause cuts or lacerations.
 - Improper use may result in injury or damage to the reloading equipment.
- **Avoiding Hazards:**
 - Handle the decapping unit with care to avoid injury from sharp components.
 - Ensure that all parts are securely fastened before use.
 - Do not exceed the specified limits of the decapping unit.
 - If you are inexperienced with reloading equipment, seek guidance from a knowledgeable individual.

Instructions for Installation and Usage

1. Installation:

- Remove the decapping unit from its packaging.
- Inspect all components: decap rod, spindle bushing, lock nut, and decapping pin.
- Attach the spindle bushing to the Bushing Bump Die according to the manufacturer's instructions.
- Securely fasten the lock nut to prevent any movement during use.

2. Usage:

- Insert the decapping pin into the appropriate position on the decap rod.
- Ensure that the decap rod is properly aligned with the die.
- Carefully operate the reloading press, following the standard procedures for decapping.
- After use, remove the decapping unit and clean it to prevent corrosion or damage.

Disposal Instructions

- Dispose of the Bushing Bump Decapping Unit in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent injury.

Contact Information for Further Support

For any questions or concerns regarding the Bushing Bump Decapping Unit, please contact your local distributor or the manufacturer directly. Ensure you have the product details ready for reference.

By following these safety instructions, you can help ensure a safe and effective reloading experience with the Bushing Bump Decapping Unit. Thank you for your attention to safety!
