Safety Instruction Guide for Bushing Bump Decapping Unit

Introduction

Thank you for choosing the Forster Products Bushing Bump Decapping Unit for 6mm Creedmoor. This product is designed for safe and effective use in reloading ammunition. Please read this safety instruction guide carefully to ensure safe handling and operation of the unit.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the unit out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including eye protection, while using this product.
- Regularly inspect the unit for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Awareness:**
 - Be aware of the potential hazards associated with reloading ammunition.
 - Handle all components with care to avoid injury.
- **Safe Handling:**
 - Always handle the decapping unit with clean, dry hands.
 - Do not use the unit if you are under the influence of alcohol or drugs.
- **Storage:**
 - Store the decapping unit in a dry, cool place, away from direct sunlight.
 - Keep all components organized and secured to prevent accidental damage.
- **Age Restrictions:**
 - This product is not intended for use by individuals under the age of 18.

Instructions for Installation and Usage

- **Installation:**
 1. Carefully unpack the decapping unit and ensure all components are present: decap rod, spindle bushing, lock nut, and decapping pin.
 2. Follow the manufacturer's instructions for attaching the decapping assembly to your Forster Bushing Bump Die.
 3. Ensure that all connections are secure before proceeding.
- **Usage:**
 1. Always check that the die is properly set up and secured in your reloading press.
 2. Insert the cartridge case into the die according to the manufacturer's instructions.

3. Operate the reloading press slowly and steadily to avoid accidents.
4. After decapping, inspect the cartridge case for any damage before proceeding with further reloading steps.

- **PostUsage:**

- Clean the decapping unit after each use to maintain optimal performance.
 - Store all components safely when not in use.

Disposal Instructions

- Dispose of any damaged or worn components according to local regulations.
- Do not dispose of the product in regular household waste. Check with local waste management for appropriate disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please contact the manufacturer directly. Ensure you have the product details available when reaching out for support.

Thank you for prioritizing safety while using the Forster Products Bushing Bump Decapping Unit. Your adherence to these guidelines helps ensure a safe reloading experience.
