

FULL LENGTH SIZING DIES - FORSTER PRODUCTS, INC. 26 NOSLER FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

Attributes

- Name: [FORSTER PRODUCTS, INC. 26 NOSLER FULL LENGTH SIZING DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)

Safety Instruction Guide for Forster Full Length Sizing Dies

Introduction

Thank you for choosing the Forster Full Length Sizing Die for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die.

General Safety Guidelines

- Ensure safe use of the Forster Full Length Sizing Die by following these guidelines:
 - Always handle the die with care and store it in a safe, dry place.
 - Keep the die out of reach of children and unauthorized users.
 - Regularly inspect the die for any signs of wear or damage before use.
 - Use the die only for its intended purpose as specified by the manufacturer.
 - Follow all local regulations regarding reloading and the use of ammunition.

Specific Safety Precautions for Use

- When using the Forster Full Length Sizing Die, adhere to the following precautions:
 - Wear appropriate safety gear, including safety glasses and gloves, to protect against potential hazards.
 - Ensure your workspace is clean, organized, and well-lit to prevent accidents.
 - Avoid distractions while using the die to maintain focus on the task at hand.
 - Do not exceed the recommended specifications for the die to avoid malfunctions or accidents.
 - If you are inexperienced with reloading, seek guidance from a knowledgeable individual or professional.

Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of the Forster Full Length Sizing Die:

1. Installation:

- Ensure your reloading press is compatible with the die.
- Clean the die and press to remove any debris or oil.
- Insert the die into the press and tighten it securely using the Forster Cross Bolt Die Locking Ring.

2. Usage:

- Prepare your brass cases by cleaning and inspecting them.
- Insert the brass case into the die, ensuring it is properly aligned.
- Use the handle of the reloading press to apply steady pressure, resizing the case.
- After resizing, carefully remove the case from the die.
- Use the EZ Out Expander button to expand the neck of the case, ensuring concentricity.
- Repeat the process for each case, maintaining focus and safety.

Disposal Instructions

- Dispose of any damaged or wornout dies responsibly:
 - Check with local regulations for guidelines on disposing of metal products.
 - If the die is no longer usable, consider recycling it if possible.
 - Do not dispose of the die in regular household waste.

Contact Information for Further Support

- For any inquiries regarding safety or product information, please contact the manufacturer directly through their official communication channels. Ensure you have the product details available for reference.

Conclusion

By following this safety instruction guide, you can ensure the safe and effective use of your Forster Full Length Sizing Die. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these important safety measures.
