

# FULL LENGTH SIZING DIES - FORSTER PRODUCTS, INC. 28 NOSLER FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 28 NOSLER FULL LENGTH SIZING DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 319000087
- Mfr. No.: 005525

# Safety Instruction Guide for Forster Full Length Sizing Dies

## Introduction

Thank you for choosing the Forster Full Length Sizing Die for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and understand the information provided before using the die.

## General Safety Guidelines

- Ensure that you are familiar with the reloading process before using this product.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep all reloading materials, including dies and components, out of reach of children and pets.
- Store the die in a secure location when not in use to prevent accidental injuries.
- Regularly inspect the die for signs of wear or damage before each use. Do not use a damaged die.
- Follow all manufacturer instructions and guidelines for use and maintenance.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper use of the die may lead to personal injury or damage to equipment. Ensure that the die is compatible with the specific cartridge you are reloading (28 Nosler).
- **Avoiding Hazards:**
  - Always ensure that the die is securely mounted in your reloading press before use.
  - Do not force cases into the die; if resistance is felt, stop and check for obstructions.
  - Keep hands and other body parts clear of moving parts during operation.
  - Use the EZ Out Expander button carefully to maintain concentricity of the case necks.
- **AgeSpecific Warnings:**
  - This product is intended for use by individuals who are knowledgeable about reloading and are of legal age to purchase and use reloading equipment.

## Instructions for Installation and Usage

- **Installation:**
  1. Clean the reloading press to ensure it is free from debris.
  2. Securely mount the Forster Full Length Sizing Die in the reloading press.
  3. Adjust the die to the appropriate height according to the manufacturer's instructions.
- **Usage:**
  1. Insert a clean, empty case into the press.
  2. Use the EZ Out Expander button to expand the neck of the case while ensuring it is aligned properly.
  3. Follow the reloading process as per your specific requirements, ensuring all steps are carefully observed.
  4. After use, clean the die with a suitable solvent and store it in a safe place.

## **Disposal Instructions**

- Dispose of any damaged or worn dies in accordance with local regulations for metal waste.
- Do not dispose of reloading materials in regular household waste. Follow local guidelines for the disposal of hazardous materials.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please refer to the contact information provided with your product packaging or visit the manufacturer's website. It is important to have access to support when using reloading equipment.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and efficient reloading experience with your Forster Full Length Sizing Die. Always prioritize safety and adhere to best practices in reloading. Thank you for choosing Forster Products, Inc.
