Safety Instruction Guide for DIE DECAPPING UNITS

Introduction

Thank you for choosing the DIE DECAPPING UNITS from Forster Products, Inc. This guide provides essential safety instructions and usage information to ensure a safe and effective experience while using the 22 Nosler Sizing Die Decapping Unit. Please read this guide thoroughly before use.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the work area is clean, welllit, and free from distractions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the product.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Sharp edges may be present on the decapping pin and other components.
- Improper handling can lead to injury or damage to the product.

- **Avoiding Hazards:**

- Always handle the decapping unit with care.
- Do not attempt to modify or alter the product in any way.
- Ensure that the workpiece is securely held before using the decapping unit.
- Use the product only for its intended purpose.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure you have all components: decap rod, spindle bushing, lock nut, expander ball, and decapping pin.
- Follow these steps to install the decapping unit:
 1. Remove the existing decapping assembly from your Forster Full Length or Neck Sizing Die.
 2. Insert the decap rod into the die body.
 3. Secure the spindle bushing onto the rod.
 4. Attach the lock nut to hold the assembly in place.
 5. Install the expander ball and decapping pin according to the manufacturer's instructions.

2. Usage:

- Ensure that the decapping unit is properly installed and secured.
- Place the cartridge case into the die.

- Operate the press according to the manufacturer's guidelines.
- After use, remove the cartridge case and inspect the decapping pin for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of in household waste. Check for recycling options in your area.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any inquiries or safety concerns regarding the DIE DECAPPING UNITS, please reach out to your local Forster Products, Inc. representative or visit the official website for additional resources. Ensure you have the product details at hand for efficient assistance.

By adhering to these safety instructions and guidelines, you can ensure a safe and effective experience with the DIE DECAPPING UNITS from Forster Products, Inc. Thank you for prioritizing safety.
