# Inletting Guide Screws Safety Instruction Guide

## Introduction

Thank you for purchasing the Inletting Guide Screws by Forster Products, Inc. These screws are designed to facilitate the installation and removal of barreled actions in stocks, providing a headless, extralong design that allows for repeated use without the need to remove the screws. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the screws for any signs of wear or damage before each use.
- Use the screws only for their intended purpose as described in this guide.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses when using tools with the screws.
- Ensure that the work area is clean and free from clutter to prevent accidents.
- Do not use excessive force when tightening or loosening the screws to avoid stripping or damaging them.
- Avoid using the screws in environments that may expose them to extreme temperatures or corrosive substances.
- If you experience any difficulty during installation or removal, stop and seek assistance rather than forcing the screws.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting the installation.
- Ensure that the area is welllit and organized.

### 2. Installation:

- Align the barreled action with the stock as per the manufacturer's instructions.
- Insert the Inletting Guide Screws into the designated holes.
- Gently tighten the screws using a suitable tool, ensuring they are snug but not overtightened.

### 3. Removal:

- To remove the barreled action, carefully unscrew the Inletting Guide Screws.
- Store the screws in a safe place after removal to prevent loss or damage.

### 4. Maintenance:

- Regularly check the screws for any signs of wear, rust, or damage.
- Clean the screws with a dry cloth after each use to maintain their condition.

## **Disposal Instructions**

- Dispose of any damaged or worn screws in accordance with local regulations.
- Do not dispose of screws in regular household waste. Instead, utilize designated recycling or hazardous waste facilities if applicable.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or contact your local distributor. Ensure that you have the product model and any relevant details ready for a more efficient inquiry.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the Inletting Guide Screws. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
