INLETTING GUIDE SCREWS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Inletting Guide Screws by Forster Products, Inc. This guide provides essential safety instructions to ensure the safe use and handling of the product. Please read this guide carefully before using the screws.

General Safety Guidelines

- Always ensure that the screws are used in accordance with the manufacturer's instructions.
- Keep the screws out of reach of children and vulnerable individuals to prevent accidental injury.
- Inspect the screws for any signs of damage or wear before use. Do not use damaged screws.
- In case of any accidents or injuries, report them to the relevant authorities immediately.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Use the screws only for their intended purpose as inletting guide screws.
- Ensure that the area where you are working is clear of any hazards that may cause accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when handling tools and screws.
- Avoid using excessive force when inserting or removing the screws to prevent stripping or breaking.
- Store the screws in a dry, safe place when not in use to avoid loss or damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the work area is clean and welllit.
- Gather all necessary tools, including a screwdriver suitable for the screw type.

2. Installation:

- Align the barreled action with the stock.
- Insert the headless guide screws into the designated holes.
- Use the screwdriver to tighten the screws securely, but do not overtighten as this may cause damage.

3. Usage:

- To remove the barreled action, simply unscrew the guide screws using the screwdriver.
- Carefully lift the barreled action out of the stock without forcing it.

4. PostUsage:

- After use, inspect the screws for any damage.
- Clean the screws if necessary and store them in a safe location.

Disposal Instructions

- Dispose of any damaged or unusable screws according to local waste management regulations.

- Do not dispose of screws in regular household waste. Check for designated recycling facilities in your area.

Contact Information for Further Support

For any inquiries or further support regarding the Inletting Guide Screws, please reach out to the manufacturer's customer service or consult the product packaging for additional information.

Thank you for prioritizing safety while using the Inletting Guide Screws. Your careful attention to these guidelines helps ensure a safe and effective experience.
