# Safety Instruction Guide for STOCKMAKER'S HANDSCREWS

## Introduction

Thank you for choosing STOCKMAKER'S HANDSCREWS by Forster Products, Inc. These handscrews are recommended by leading stockmakers for the precise fitting of stocks to actions. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the handscrews.

## General Safety Guidelines

- Always handle the handscrews with care to avoid injury.
- Ensure that the handscrews are used in a welllit and organized workspace.
- Keep the handscrews out of reach of children and vulnerable individuals.
- Regularly inspect the handscrews for wear or damage before use.
- If you notice any defects or issues, discontinue use and contact a professional.

## Specific Safety Precautions for Use

- Use the handscrews only for their intended purpose, which is to fit stocks to actions.
- Ensure that the screw lengths are appropriate for the specific gun being worked on.
- Do not exceed the recommended torque when tightening the screws to avoid damage.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the handscrews.
- Avoid using excessive force, which may lead to accidents or product failure.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before beginning the installation.
- Ensure that the workspace is clean and free of obstructions.

### 2. Using the Handscrews:

- Align the stock with the action of the gun.
- Insert the handscrews into the appropriate threaded holes.
- Tighten the handscrews by turning the handles clockwise until secure, but do not overtighten.
- Verify that the stock is securely fitted before proceeding with any further work.

### 3. PostUse:

- After use, clean the handscrews to remove any debris or residue.
- Store the handscrews in a safe, dry place to prevent damage.

## Disposal Instructions

- Dispose of the handscrews in accordance with local regulations.
- If the handscrews are no longer usable, consider recycling materials where possible.
- Do not dispose of the handscrews in regular household waste if they contain hazardous materials.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the STOCKMAKER'S HANDSCREWS, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience while using STOCKMAKER'S HANDSCREWS. Always prioritize safety and do not hesitate to seek professional advice if needed. Thank you for your attention to these guidelines.
